Youth service

Brady Family
School choir

STOUFFVILLE — The Brady Family of Newmarket and the Stouffville Dist. Secondary School choir will head up a Youth Service, Friday evening (March 7) in St. James Presbyterian Church.

This is the first event of its kind at St. James. Time of the rally is 8 p.m.

Laurie and Janis Brady with children Brent, Marc, Camille and Jill, present the gospel through music and sharing of personal testimony. The two boys and two girls along with their parents play various musical instruments. They recently recorded their second long play record album.

They began their ministry in music back in October, 1977 at Dryden, Ont. As a family, they've travelled thousands of miles, "spreading the good word."

It will be their first visit to Stouffville although they've sung in several churches around the district. On Sunday evening, March 9, they'll head up a special "Gospel Sing" in the Community Hall at Mount Albert. Time of the worship there is 7:30 p.m.

In addition to The Brady's, Friday's event will include the High School choir under the

JOHN DOLAN

GIVES YOU A LIFT.

Weekdays at 3:00, just as Toronto traffic thickens, John Dolan slips behind the CFRB microphone to make driving home to dinner a little more informative, a little more relaxing and a lot more fun.

News and comments from Bob Heaketh, views from Bill McVean, weather from Bev Cadbird, commuter traffic, race results, sports, financial comment and Henry Shannon's airborne traffic reports are punctuated with a little travelling music and John's wry observations on the passing scene. It's a radio recipe designed to get you going and keep you cooking.

Your Son's Education . . . an Alternative

Your son's education has never been more important. By the time he reaches university his study habits will be established. If you are concerned about the quality of education your son is receiving, Trinity College School offers an attractive alternative.

Academic
A high academic standard is maintained at T.C.S. Dedicated, highly qualified teachers (one for every ten boys) strive to bring out the best in each boy. Almost all T.C.S. boys go on to university; most to the university and course of their choice. In recent years T.C.S. boys have won scholarships to most Canadian universities as well as to such American colleges as Dartmouth, Princeton and M.I.T.

Athletic
Virtually every sport thrives at T.C.S. in a tradition of teamwork and good sportsmanship.

The school offers excellent coaching in all sports and every boy has the

opportunity to play on school teams. In recent years T.C.S. has won championships in football, rugby, soccer, hockey, skiing, cricket, squash and tennis. Facilities include an indoor hockey arena, swimming pool, 2 gyms, 4 squash courts, 6 tennis courts, 9 playing fields and a ski camp.

General
Most boys love the life at T.C.S. and thrive in an environment which fosters intellectual challenge and attainment, physical fitness, competition, self-discipline and responsibility. Lifelong friendships are made at T.C.S. with others from all across Canada and abroad.

At present there are boys at the school from 17 countries. The enrollment in the Senior School (Grades 10-13) is 260 and 70 in Boulden House (Grades 7-9).

Over \$150,000 is set aside each year to provide scholarships and bursaries to enable promising boys to attend. Entrance and scholarship examinations will be written across Canada and in the U.S. on April 12, 1980.
