Bowlers raise \$18,000

To the Editor:
 On behalf of Big Brothers of York let me take this opportunity to thank every one who supported us on our celebrity day of our Bowl for a Boy held Feb. 16.

It was gratifying for us to see such enthusiastic participation by our community. Approximately 225 people came out to the Newmarket/Bowlerama to bowl and an estimated eighteen thousand dollars was raised that day. To these people and all who sponsored them, a very special thank you.

For all who are still collecting their pledges, please keep in mind that there will be a draw soon and your sponsor sheets must be turned in, in order for you and your sponsor to be eligible. This year the lucky bowler will win a trip for two to Barbados, and the sponsor will win \$100 cash. All sheets must be into the Big Brothers of York office by Friday March 21, 1980.

Our Big and Little Brothers thank you.
 Sincerely,
 Jim Glover,
 Chairman,
 Bowl for a Boy.

Interest rates too high

An emergency meeting with Canada's newly-elected Prime Minister has been requested by the Ontario Federation of Agriculture.

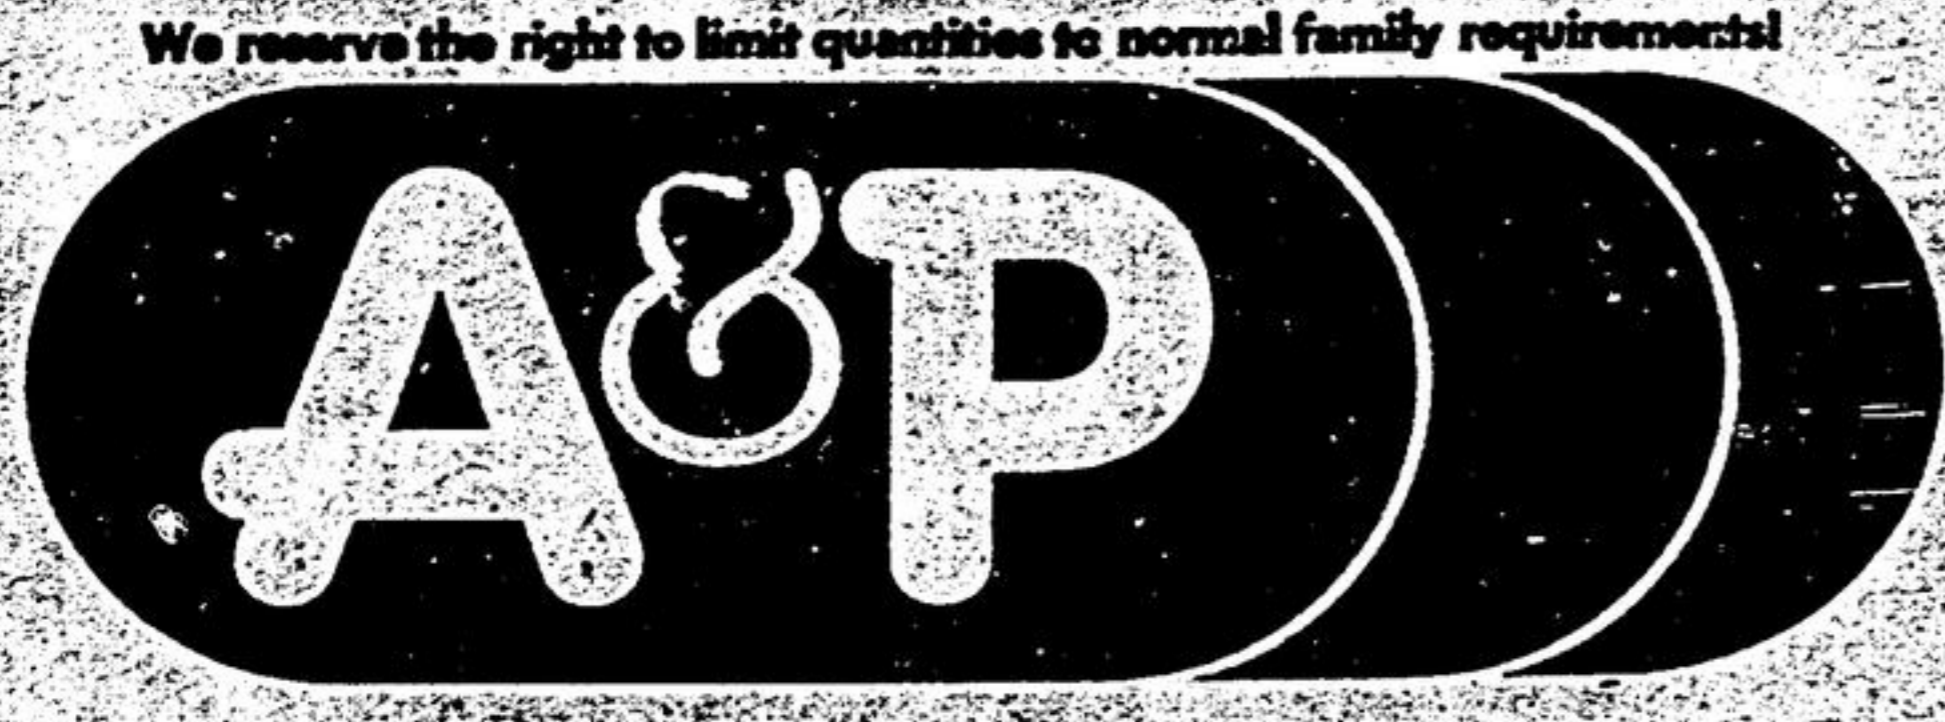

In a letter dated Feb. 21, OFA President Ralph Barrie urged Prime Minister Trudeau to move quickly to cushion the effects of high interest rates on farmers.

"Emergency measures should be put in place immediately to forestall economic disaster for farmers, especially young and beginning farmers," Barrie said.

Barrie congratulated the Prime Minister and his party on their recent return to office, and noted the positive plans for agriculture outlined by the Liberal party during the recent election campaign.

The Liberals promised to exempt farm fuels from federal excise tax, protect farmers from imported foods being "dumped" into Canada, renegotiate chicken import quotas, protect and enlarge the Farm Credit Corporation, and increase funds for agricultural research and development, among others.

"These measures, when implemented, will strengthen not only our agricultural industry, but also Canada's economy."
