The companionship of friendly people and a wide variety of things to do have helped us all get through the past wintry month. New residents Agnes Wallace, Charles Stouffer, Flossie Miller and Robert Davidson were all officially welcomed to Parkview Home at a Get Acquainted Hour, February 21. Close family members and supervisory staff also attended and the purpose of the get together was to discuss first impressions of Home living and to review the Guidelines for residential living in an informal setting. Assist refugee family

RINGWOOD - Once again, the helping hands of Stouffville area residents have been extended far across the sea to assist a family from North Vietnam.

Anh Luong, his wife Tien, their sons, Dong, 6 and Vinh, 4 and Anh's sister, Binh arrived here Jan. 31 to start life anew in a bungalow provided for them near Ringwood.

Spearehead the application were Sandy and Flo Watson and Gerry and Janet Paxton, Conc. 2 Uxbridge. They were aided by friends and neighbors as well as members within the congregations of Lemonville and Ballantrae United Churches.

It was back in July of 1979 that support was guaranteed but it wasn't until Jan. 16 of this year that word of approval was returned. The family has spent fifty days in a small boat before reaching Hong Kong following their escape from Vietnam.
