JOHN DOLAN

GIVES YOU A LIFT.

Weekdays at 3:00, just as Toronto traffic thickens, John Dolan slips behind the CFRB microphone to make driving home to dinner a little more informative; a little more relaxing and a lot more fun. News and comments from Bob Hesketh, views from Bill McVean, weather from Bev Cudbird, commuter traffic, race results, sports, financial comment and Henry Shannon's airborne traffic reports are punctuated with a little travelling music and John's wry observations on the passing scene. It's a radio recipe designed to get you going and keep you cooking.
