Yanmar Diesel Tractor

If your compact tractor burns gasoline, it's burning up more than gasoline.

It's burning up your hard-earned money. Which should have you doing a slow burn.

It's not the tractor's fault. Gasoline engines just aren't as efficient as diesel engines. And until now, compact diesel tractors with the versatility you need just weren't available.

Now meet the alternative - Yanmar 13, 15, 24, and 33 HP diesel tractors. Loaded with features to let you handle any job your gasoline tractor can do. And powered by Yanmar's advanced diesel engines which save you big on fuel - as much as 50%. And equally big on maintenance.

We've got all the facts and figures on Yanmar compact diesel tractor efficiency. Come on in soon for the whole story.
