She was a member of the Canadian team who placed first in the number 7 awards won. The House league expects to have almost the same number of teams this year as last with play commencing in the first week of May.

Bears shutout

STOUFFVILLE — The Neil Patrick Novice Allstar Polar Bears closed out the hockey season on April 2, when they lost to Whitby by a 3-0 margin in their flight for the Lakeshore championship title.

It wasn't until the mid-point mark of the first period that Whitby managed to get on the board, and from there on in it was a bitting end-to-end action.

With only two minutes left to play, the Bears put out a big effort to tie the score, unfortunately the effort backfired and Whitby scores their second goal.

Coach Grant Nesbitt had little choice but to pull netminder Scott Evans, in a desperate attempt to get back in the game, but with thirty seconds left Whitby made sure of the title when they scored on the empty net.

Despite the loss of the Championship title the Polar Bears have had a remarkably good season. Out of 57 games they won 38, lost 12 and tied 7. Most of their losses have been against Whitby, who this year fielded the most powerful team in the league.

Of the three tournaments played the Bears won two; the South London International, and Sharon. They lost the Oro Tournament to Whitby - in overtime.

Soccer clinic

STOUFFVILLE — 'An excellent response' said Whitechurch Stouffville Soccer Club Chief coach Alfons Rubens, when he surveyed the forty potential coaches being put through their paces at the Stouffville High school gymnasium on Thursday evening last.

The soccer club has expanded its training programme for coaches, so as to be able to handle the more than 400 children who will be playing for the club this year.

The coaching semester was obviously not to be regarded lightly. Impressive coaching manuals were made available to the trainees, explaining everything from the first principles of the game through to the aims of the club. The manual was compiled by the Ontario Soccer Association.

If the embryo coaches thought the lesson was to be a sit down and listen affair they soon learned otherwise. Clinic coach, Dave Reid, of the crack Marshlands team, had them running, jumping, passing and dribbling the ball for a good two hours. All the time emphasizing endurance and stamina; it was tough.

With five more semesters to go lets hope they all turn up for the next one.
