Never let down

Dear Sir: For many years, I have approached my good friends and associates to request help in supporting the work of the Ontario Society for Crippled Children on behalf of children with physical handicaps. I have never been let down. I want you to know how much I have always appreciated your continued interest and understanding of the accomplishments that must be made in the field of children's rehabilitation. For the most part, it has been a long and uphill battle, but progress is now being achieved, at a more rapid pace than ever before, and the future looks bright.

I wish to thank at this time, not only you in the Media but all snowmobilers, Ontario Snowmobile Industry Association, Molson's Brewery, (Ontario) Limited, our Easter Seal Service Clubs, and all volunteers that made this event truly successful.

1981 is the International Year of Disabled Persons. The focus will be on integration - we want all of our youngsters to share an equal opportunity, regardless of handicap, to contribute to society in their own way within our communities. When these children become adults, there must be a better world for them. It was a great honour for Miss Snowarama, Nadia de Franco and me to participate in Snowarama. I will be riding again in 1981.

You have helped to make wonderful things happen. The Annual Snowarama has developed into a tremendous fundraising event that this year raised \$800,000 in Ontario. The largest proceeds ever raised this way to my knowledge, in the world. This amount will undoubtedly help to augment the Society's target for 1980, to raise \$6,000,000 to help physically handicapped children in this province.

By your excellent media coverage demonstrating faith in our efforts, the goals will be reached. That is, to

Butcher business

STOUFFVILLE - After living away from town for fifteen years, Arlan Galbraith has opened a butcher shop in Success Square Plaza.

Raised on the Tenth Line, he attended Summitview and S.D.S.S. here. He owns a small meat processing plant at Varney, where the specialty is smoked, home-made cold cuts, and sale of meat in bulk.

His wife, Sharon originally from Uxbridge, takes an active interest in the family business. She was around when renovations were being made to the shop, and helped with the painting. Arlan said he knew there was no meat market in Stouffville, and that the location would be "ideal".

Business hours are Tuesday and Wednesday 9-6, Thursday and Friday 9-9, and Saturday 7a.m.-

Expropriate corner site

MARKHAM - A recommendation will be placed before Regional Council, calling for the expropriation of 200 square feet of land belonging to John and Betty McLean on the north-west corner of McCowan Road and 17th Avenue.

The decision follows a hearing, April 1 at Newmarket in which reasons for not proceeding with the plan were outlined in full.

The stipulated price is \$500.

Ron Moran, a regional representative

for the Town of Markham, said the owners can register their disapproval when the issue comes before Council this month or they can file an appeal with the compensation court.

Mr. Moran explained that no part of the new road surface would infringe on the McLean land. "It's for daylighting purposes only," he said.

Plan Farm Fair

UXBRIDGE - Because of numerous requests for tours at Lloyd Wilson's Sales Arena, this month, for the first time ever there will be a Farm Fair.

The two-day event will be held April 24 to 25, and admission is free. The show will feature various breeds of dairy cattle, including Holsteins, Jerseys, and Guernseys. There will even be a few goats and sheep.

Tours for groups of ten or twelve will be available for the school children daily, and the Fair will be open to the public evenings. The Ontario County Milk Committee will provide free milk for the students.

The 1980 Dairy Princess, a calf-dressing contest, and a film from the Uxbridge Veterinarian Clinic are only some of the other interesting highlights.
