## Girls hockey banquet

**STOUFFVILLE** The Girls hockey league celebrated its end of season with a banquet and presentation of awards at Latchman Hall, on Sunday evening, April 13.

Vice-president of the league, Joanne Steel was in charge of the evening's festivities, and during the course of the evening, paid tribute to everyone who had helped make the season so successful.

At the top table were: Ray Steel, Norm Ewing, Mr. and Mrs. George Brodie, Jack and Sherry Morrison, Mr. and Mrs. Doug Rex-Graham and Mr. and Mrs. Cliff Dunkeld.

In addition to the usual exchange of gifts between coaches, sponsors and team members, a few special ones were presented to the following: Cliff Dunkeld, who has been responsible for press liaison with The Tribune and covered all the week end games. Norm Ewing, the league's indefatigable timekeeper, and Referee in chief, Doug Rex-Graham, all of whom received sun loungers. Both Cliff and Norm are retiring from the league this year due to heavy work commitments they will be sorely missed.

Surprise of the evening was the delightful presentation to the Bunnies team by their sponsors, Mr. and Mrs. Bruce Burton. Every member of the team received a furry coloured bunny rabbit about 14" high. By the end of the evening their table looked like a colourful rabbit warren.

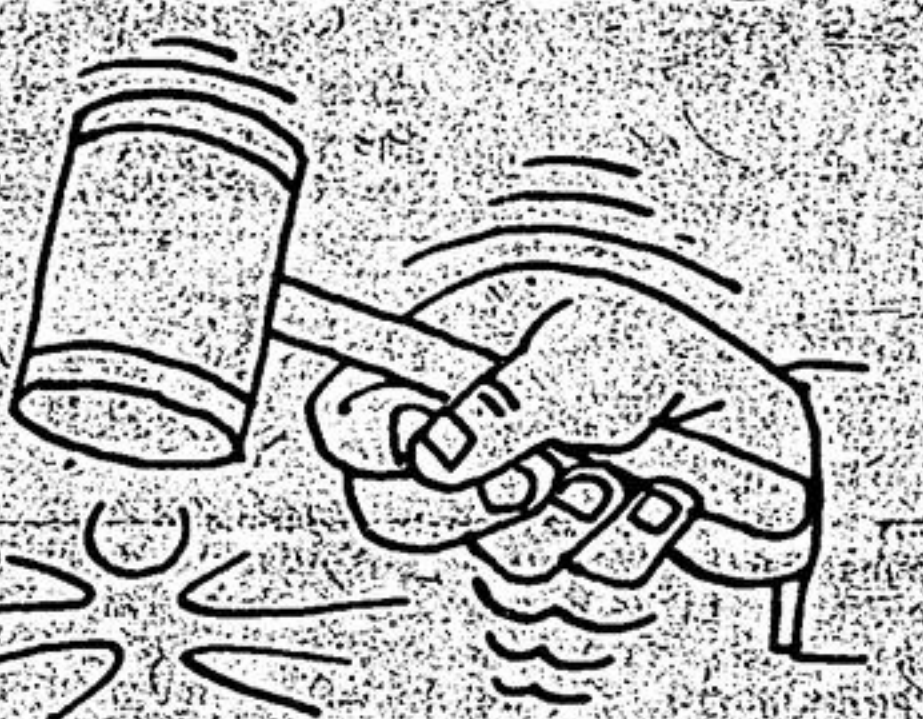

Other team sponsors at the banquet were: Terry and Gay Lacoursiere of A and M Records, Mr. and Mrs. Bob Day of McNeil Laboratories, Mr. and Mrs. Ted Coward of the Kinsmen club, Mr. and Mrs. Jim Richards of the Lions club, Mr. Walter Jollick for Protective Rustproofing and Mr. and Mrs. Glen Hinks of Travelways.

After dinner, team trophy presentations were made, also the individual trophy awards. This year top scorers in the junior division were as follows: Michelle Coppins with 48 goals and 12 assists, for 60 points. Allison Lowery with 32 goals 14 assists, for 46 points, and Heather Hall with 18 goals, 19 assists, for 37 points.

In the senior division Julie Thompson headed the roster with 45 goals and 15 assists for 60 points. Cheryl Singleton tallied 30 goals and 21 assists, for 51 points, whilst Jackie Armet and Bonnie Hollingsworth tied for third place with 33 goals and 6 assists apiece for 39 points each.

Plans are already afoot for next season. The league's Annual General Meeting will be held tonight, Thursday, April 17, at 7:30 at Latchman Hall. Anyone intending to enrol for next year is be represented at this asked to either attend, or very important meeting.

## CONSIDER STANSTEAD COLLEGE

Stanstead College, a boarding school for boys and girls from grades 7 to 12 since 1872, offers a first rate academic programme to students from 12 countries and 5 Canadian Provinces who share our 620-acre campus 90 miles east and south of Montreal and at the top of U.S. 91.

Hardiness, self-reliance, and neighbourliness, the values of local residents who built and paid for this border community's first little red brick school house in 1817, are the qualities that characterize Stanstead College today.

This is a country school where intellect, hard work, athletic prowess, humour and a good heart are respected. The curriculum is aimed at university entry in the U.S.A. and Canada. The limited size of classes, individual attention and rigorous academic standards contribute to a well-rounded education which goes far beyond minimum requirements. We take advantage of our location to provide a strong French language programme as well as a Spanish option. Regular evening study sessions are held with supervision depending on each student's monthly performance. Each student is assigned a teacher as adviser to help with organization and performance, and most students stay with the same adviser throughout their stay.

For a country school with country values, Stanstead is well endowed with sophisticated equipment including a computer featuring the flexible PDP 11 configuration; a large well-equipped gymnasium; ice hockey arena, 25 metre indoor swimming pool, squash and tennis courts; running track; cross country/ski trails and access to superb downhill skiing. SCHOLARSHIPS AND BURSARIES ARE AVAILABLE.

The Headmaster, Jeremy Riley, will be in Toronto at the Park Plaza Hotel from the evening of Tuesday, April 15th to the morning of April 18th. Anyone wishing an appointment with Mr. Riley should contact him at his hotel, or make arrangements with Mrs. J. Peirce, Stanstead College, Stanstead, Que., J0B 3E0, tel.: (819) 874-2702. Mr. Riley will be hosting an information meeting Thursday, April 17th at the Park Plaza Hotel Reception Room at 8:00 p.m. Interested parents and prospective students are invited to discuss application procedures and scholarship possibilities, and to learn more about the school.
