Set new world curling record

Gary Grant (left) of R.R. 1, Stouffville, and Len James of Uxbridge achieved a new world record last weekend. They curled non-stop for over 36 hours at the Uxbridge Curling Rink on behalf of the Cancer fund. Their

achievement will be entered in the Guinness World Book of Records. It is estimated that the boys threw over 40 tons of rock during their attempt.

Souses dump Hawks

STOUFFVILLE—The Souses have done it once again. For the sixth year in a row Stouffville's mens basketball team have reached the playoffs.

Although noted for their speed the Souses surpassed themselves in this game with a very impressive display of fastmoving and accurate passing.

Despite the removal of a wisdom tooth earlier in the day Jim Hill played his usual excellent game and headed the points tally with 23.

This very close game ended with a single point win by the Hawks 55-53. Despite their upset over the 'Bullets', the Hawks are going to have to find something very special to snatch the title away from the Souses; they have not beaten them once this season.

If you can provide new jobs for Ontario's youth, Ontario will help pay their salaries.

If you operate a business in Ontario and create new jobs between May 5 and October 26, 1980, you may apply to the Ontario Youth Employment Program for a grant of \$1.25 an hour (up to a maximum of \$50.00 a week) towards the wages of each eligible youth you hire for those jobs.

Here's how OYEP can help. OYEP was designed both for you and young people who want to work. It enables you to hire young people between the ages of 15 and 24 to do extra work for you while we help to pay their salaries. The maximum grant allows you up to 6,000 man hours of help at each location where application for employment has been made. For example, you could hire 10 young people for 15 weeks each, or 15 young people for 10 weeks each. You must hire each young person for an average of 25 hours of supervised employment per week for at least six weeks.

Eligible employers. You may be an eligible employer if you have been actively engaged in business in Ontario for at least one year prior to May 5, 1980. This

is a requirement for each location where you would like to hire.

Eligible employees. The young people you would like to hire must be between the ages of 15 and 24. They must reside and be eligible to work in Ontario. They must not be related to the employer as defined in the Ontario Youth Employment Act.

OYEP works for all of us.

All jobs must be new. To be eligible for funding, a position created must be in addition to regular and seasonal employment normally provided during the 25 week program period. This may mean special projects in the office, general repairs, research and so on.

Apply early. Grant funds are limited. Deadline date for applications is July 2, 1980, or earlier if all funds have been allocated. Submit your application as soon as possible. Before you hire, make sure you have written approval.
