Fireman retires

After twenty-five years, Don Doner has resigned as a volunteer with the Town Fire Department. "I'll miss it; I enjoyed it; they're a great bunch of guys," he told The Tribune. To help someone, he said, gave him a great feeling of personal satisfaction. One of his most treasured keepsakes is a letter received from a party that expressed thanks for assistance provided in an emergency situation. Don took over from Reg Stouffer back in 1955 and has been with the local brigade ever since. He's served under two chiefs, the late Bill Malloy and Walter Smith.

New park mower

Children more wary

The murder of six year old Elizabeth Tomlinson in Toronto, last week, has made parents and children more wary of strangers who, for a variety of reasons, are seen talking (or even watching) little girls. Here in Stouffville, Thursday, a Summitview pupil saw a man meeting the description of the man police are looking for in the city. As a precautionary measure, Summitview Principal Lorne Bowdway notified the police department at York Region and three officers responded.
