## Kinsmen Midget girls Flying start

STOUFFVILLE — The Stouffville Kinsmen Midget girls softball team got off to a flying start, posting a 3-0 record in their first three games of the season.

Zonking Thornhill 27-0, the Kinsmen girls took a 5-0 lead in the first, galloped away with 18 runs in the second and four more in the third.

Home runs came from Ester Herbert and Janet Cooper. Donna Ryckman counted for four runs while Teresa Ewing, Jackie Armet, Elaine Howie, Joanne

Dart, Jannette Cooper, Darlene Wagg and Wendy Turner added 3 runs apiece.

Their game against Uxbridge was a lot closer at 6-3. With a 5-0 lead after 2 innings of play, Uxbridge replied with 3 runs, but were unable to progress further. Stouffville's final run came in the sixth inning.

Their 12-6 win over Don Victoria was well earned. Elaine Howie hit a triple for three runs and Joanne Dart singled to bring home Elaine for a 4-2 lead.

With bases loaded, Elaine Howie belted out a double to lengthen their lead to 7-3.

Things were quiet until the sixth when Jackie Armet and Jannette Cooper tripled and Stouffville picked up 5 runs. The Victoria team managed a 3 run comeback but were too late.

Jackie Armet and Jannette Cooper tallied 3 apiece and Wendy Turner and Elaine Howie added 2 each.

The merchants visited Uxbridge, May 26, and came away with a 7-4 victory on the strong pitching of Mary Albright. Mary struck out two, and only walked one.

Kathy Gibb led Stouffville in batting with two solid singles in three

trips to the plate. Her sister Margaret, playing right field, was instrumental in completing a dazzling triple play.

In their game May 28, the merchants slammed Port Perry 7-3. The winning pitcher was Tanis Manahan.

## Claremont house league Softball start

CLAREMONT — Claremont softball is now well under way. On Tuesday, May 27, the Mite House league got into its stride with 29 boys and girls between 3 and 7 yrs. old taking up ball for the first time.

The boys Squirt team started the season well with two straight wins over Bradford. The first was 21-14 — they came back from being 13-9 down in the fifth. Tim Evans pitched a strong first game. The second game saw them win 21-10.

In the Peewee division, the Red Legion boys team lost their very first game of the season 6-2. They led until the seventh innings when Goodwood went ahead with five runs.

It was a different story at Port Perry. They trounced the Perry boys

26-10. Chris Doyle and Brad Evans shared the pitching.

In their game against West Shore the Legion squad never got on the scoreboard. They came up with a humiliating 15-0 loss — this was against the same team that barely squeaked a 2-1 over Port Perry.

The Lions club sponsored Midget team are sporting new uniforms this season — and very smart they look too. Their first game, against Unionville gave them a 6-3 win. At home on Monday evening Markham were dismissed 7-4, and at Uxbridge the game was close with a 1-0 loss.

Greg Redshaw pitched in all three games.

In Monday night House league games,

Squirt division, Claremont B.P. lost to Timber Bros. Sand & Gravel, and Ray Winterstein Masonary defeated the Corner Lunch team; scores were not available.

In the Sunday night Slo-pitch Men's league, Jim Redshaw's boys defeated Vince Lehman's team 23-16. The Claremont Lions team downed Dave MacDonalds squad 23-15.

Both games were well attended, despite the rain. Cliff Dunkled from Stouffville umpired both games.

The Claremont Softball Association is looking for House league umpires. Anyone interested in helping should contact Sandra Redshaw at 649-2515.

# You've got a right to equal pay for doing substantially the same work as a man. In fact, you've got a law.

Getting paid the same as a man when you're doing substantially the same work is the law in Ontario. The trouble is, many female employees haven't been paid according to the law, for one reason or another.

### Examples.

It's not good enough for employers to set wage rates on the basis of job title, or to use minor differences in work to justify differences in pay.

For example men employed as clerks may have to do some purchasing of plant equipment or supplies perhaps, while a woman clerk may do the purchasing of smaller items—stationery, office needs, etc. But minor differences such as locking up at night, handling petty cash or lifting heavier loads do not make a "substantial difference" in the job and do not necessarily entitle the man to a higher rate of pay. The law states that when a woman is doing substantially the same work as a man, she must be paid the same.

### What "substantially the same" means.

To clarify it for you, "substantially the same" means that the skill, effort, responsibility and working conditions required for the work are similar and any difference in these are of a minor nature.

In considering skill, attention is paid to factors such as experience, training and education required

to do the work. In considering effort, attention is paid to the degree of physical or mental exertion required to do the work. And in considering responsibility, attention is paid to the degree of accountability to others in doing the work.

### Enforcement of the law.

To enforce the equal pay law, the government of Ontario has added extra staff to the Employment Standards Branch. Their job is to make spotchecks into businesses across the province, to audit pay practices and to investigate complaints made by you to the Ministry of Labour.

Equal pay for equal work. It's your right. And it's the law.

If you want more information or feel you have a valid complaint, call or write your local Employment Standards Branch of the Ontario Ministry of Labour.

To call your local Employment Standards Branch, check your telephone directory or ask Bell Directory Assistance for the toll free number.

Paying a woman less than a man for doing substantially the same work isn't just unfair, it's illegal.
