NEW!

Golf Course Technician Diploma Program

You can register now for Seneca's two-year Golf Course Technician program and qualify for practical paid field work in September! Starting September, we'll place you on at least one of the over 200 golf courses in Ontario for a period of approximately six weeks of practical on-the-job training. Formal, in-class instruction will not begin until the week of October 20th at the Seneca King Campus (on RR #3 in King City).

Graduates will be qualified to work for golf course superintendents at the technician level. Students will study golf course equipment repair and maintenance, operation of turf machinery, landscape and irrigation techniques and soil and plant chemistry.

This program is open to applicants with an Ontario Secondary School Graduation Diploma (or its equivalent), or to individuals with mature student status (19 years of age or older) who may not possess a Diploma.

Students may also defer enrollment into this program until the week of October 20th.

For more details call the King Campus Admissions Office at 884-9901, or clip and mail the handy coupon below.
