Lose final game

STOUFFVILLE — The MacEwan Contracting — Lee Sand & Gravel men's slowpitch team nearly came home with the bacon last weekend, when they came within an ace of snatching the consolation trophy at

The Stouffville squad dumped the Markham Red Rose team 7-0 in their first game of the tournament and then went on to dispose of Bridlewood 14-7. McGriskin, Jackson and Grove came up with

triples for Stouffville with Randy Lee pitching a very strong game.

Their third game was like something out of the Bad News Bears. Having lead the Scarborough Quicklee team 9-2 at the bottom of the seventh,

Stouffville went to pieces under the strong pressure and barely salvaged a 9-7 win to head off into the consolation final.

Unfortunately, they ran out of steam and went down to the Barrie, Howard's Heroes team 7-

Illegal pitch

Dear Jim,
Further to your article of June 12, re: the Whitby junior softball team walking off the field because of 'illegal pitching' calls by the Stouffville umpire, I feel, as local convenor for the O.A.S.A. and P.W.S.A., that I must defend our local umpires.

In all the games I have seen to date, the umpires are calling the pitching rule correctly. I may not agree with all the calls - but then, who does?

It is unfortunate that some of the 'oldies' playing softball do not wish to accept the fact that they have to change their way of play.

For myself, and other officials, our main concern is that other teams playing in the same league as our Junior men's team threatened to boycott Stouffville. This threat we find unacceptable, as it is the Junior team's intention to shoot for the All Canadian title this year. Consequently, we are now using umpires from outside the area.

Despite unjust criticism, our Umpire-in-Chief Neil Lafleur is doing an excellent job in keeping the games supplied with umpires, for what is, after all, a thankless task.

It can only be hoped that old ways will change and that players will abide by the rules. If not, come the Provincial playoffs there will be some rude awakenings because the pitching rule will be called. It is a very simple rule and to the pitchers' advantage.

As a seasoned convenor, coach and umpire - but never too old to learn I am,

Yours faithfully,
Cliff Dunkeld.

Most people getting unemployment insurance play by the rules. But some people don't seem to know that they can't take a job and collect benefits without telling us they're working. That's why employers are being asked to send us the starting date and Social Insurance Number or extracts from computer payroll tapes for each employee they hire or rehire. This information is cross-checked with the Social Insurance Numbers of people receiving unemployment insurance benefits. Only cases of potential abuse will ever surface.
