

Goodwood Peewees grab 1-0 series lead

GOODWOOD — Goodwood's Commercial Sand and Gravel Peewees moved one step further to an All Ontario win when they downed Sebringville, 12-7, in the first game of the final series on Saturday evening.

Brian Koogje started on the mound for Goodwood and retired the first six batters in succession.

In the third innings, Goodwood's defence, which has played well throughout the playoffs, committed two errors; giving a moral booster to Sebringville, who then came

through with four consecutive hits for six runs, with one away.

Relief pitcher, Derek Clausen, then came in to strike out the first batter and obtain an infield fly from the second, to end the innings. Clausen continued to pitch an impressive game and allowed no further hits and struck out eight bats. He allowed only one further run, in the seventh, after walking three bats.

Offensively, Goodwood started early with two runs in the first, and four more in the second. Sebringville

was tied at the top of the third where everything remained static until the bottom of the fifth when Goodwood put several hits together for 6 more runs: the highlight being Derek Clausen's home run blast.

Hits for Goodwood came from Brian Koogje and Steve May with three each. Derek Clausen and Marty Brown two apiece, and one each from Mike Knapp, Mark Murphy, Brad Jefferies and Paul MacEwan.

The next game in this best of three series is at Sebringville next Saturday, September 13, at 7:00 p.m.

Top pitcher

on sidelines

AURORA — Stouffville's ladies softball team, the Steelers, were missing their star pitcher last weekend when they went into the Aurora tournament. Sharon Bound, the pitcher, was out due to a sprained shoulder.

Sharing the mound were Terri Surman and Trish Venderbelt, who worked hard but could not save the Steelers from a second game 7-4 loss.

Despite two desperate slides at the bases, and a super catch, Julie Ogden could not stop Dixie Pencils comeback in the sixth; the Steelers had led 4-1 at the end of the fifth.

The Steelers will be holding a three day tournament starting Friday, September 19 through Sunday 21. Also, a dance will be held on the Saturday evening.

Further details will be available in next week's edition of the Tribune.

Ballantrae Tennis Junior Open results

BALLANTRAE — The Ballantrae Tennis club held its first annual Junior Open tournament last week, September 2 to 6. A total of eighteen girls and boys entered in the singles, doubles and mixed doubles categories.

All the entries were first year players; most of whom had taken part in a club sponsored beginners programme, conducted by one of the club's qualified pro's.

Competition was keen and the standard of sportsmanship very high. The tournament was

thoroughly enjoyed by both spectators, officials and players.

Hopefully, next year, the club will have double the number of entrants in their second Junior Open tournament.

Top honours in the finals went to the following players; John Sansom won the Boys Singles, beating Derek Stem 6-0, 7-5 in two straight sets.

Cindy Zwier had a tough time winning over Cathy Graham for the girl's singles title. The game went to three sets 6-4, 4-6, 6-4.

Cindy teamed with Cathy in the Girl's doubles final for an easy 6-1, 6-

1 victory over Nicky Zwier and Lynn Van Maris.

Gold and silver awards were made to finalists in each category.

Soccer invasion a great success

STOUFFVILLE — Thirty-eight youth soccer teams from the Toronto area, the Niagara Peninsula and New York State met in Stouffville last weekend for the 4th Annual Centennial Soccer Tournament. The Chamber of Commerce extended a special welcome to the more than one thousand players and parents who attended the two-day affair.

Every year the Whitchurch-Stouffville Soccer Club hosts two tournaments for 'house-league' teams. This year six soccer fields and an army of referees were pressed into service to accommodate the record number of teams participating in the tournament.

On Saturday, each team played two games to determine which would advance to the semi-finals. Many of the day's contests were very close. In fact, seven of the twelve semi-final berths were decided on goal average, because the teams were tied on wins and losses.

Here's how the elimination rounds went on Sunday:

ATOM (under 10)
Semi-finals—
Merritton 2, Woodbridge 1;

Borough of York 4, Midland-Caledonia 1.

In the final, the St. Sebastian Warriors from the Borough of York won 4-0 with Fabio Biagiarelli allowing only one goal all day. Warrior goals were by Fozzo Lupesella (2), Domenic Segreti (2), Anthony Trentadue (2), Marco Falcone and Glen Chiasson. Team coach A. Trentadue is the brother of Whitchurch-Stouffville coach Steve Trentadue which made this team a favourite with many local fans.

MOSQUITO (under 12)

Semi-finals—
Hillcrest 7, Guildwood 0; Midland-Caledonia 3, Whitty 2 (in overtime).

The final, again in overtime, saw Hillcrest Village take the trophy 4-2. For the day, Hillcrest scorers were Paul Hand (2), Heath Freel (2), Robbie Vinton (2), William Toleck (2), Danny Bonanni, Jamie Rough and Ian Mulligan.

PEEWEE (under 14)

Semi-finals—
Rush-Henrietta 2, St. Catharines Rams 1 (in overtime); Merritton 2, Scugog 0.

The final game saw the

Merritton Merritts beat the Rush-Henrietta Falcons 2-1 in overtime. Merritton goals for the day were by Steve Geoffrey, Denny Dellebone, Dave Brown and Glen Augerman. Rush-Henrietta scorers were Tim Canedo in the final and John O'Connell in the semi-final.

Though Stouffville teams were eliminated from play after Saturday's games, they put up a good fight. Craig Ryan scored for Tree Transplanting against Mid-Calle's Action Sports, while his brother Matt put one in for the Bank of Nova Scotia against the St. Catharines Meteors. Stouffville Lions scored four goals to defeat King City 4-1. Rene Semlacher and Chris Baggs each had a goal and Erik Rubbens recorded two. Mike Edwards, in goal allowed only one point by the King team.

Organizer Vlad Alexander thanked everyone for making the tournament such a huge success. Chamber of Commerce president Ged Stonehouse presented the trophies to the winners and finalists. He thanked all who had travelled to Stouffville and expressed the hope that they would come again next year.

Home team wins tournament

STOUFFVILLE — Stouffville walked off with the winners trophy last weekend in the first inaugural slowpitch tournament held in Stouffville to promote this fast up-and-coming game.

The winning team was the Montgomery MacEwan Construction - Lee Sand and Gravel team, whose coach, Wayne Emmerson, was also the tournament convener. Stouffville entered four teams.

Action opened on Friday evening with the Stouffville Progress club defeating Claremont 13-11, and Uxbridge's Sid Landry Construction dumped the Stouffville Amateur Hockey league squad 14-2. The evening's final game saw the Uxbridge Hornet team down the Monday night Selects.

Saturday morning saw all four Stouffville teams face each other in an early 8:00 a.m. start for local 'bragging rights'. The Selects squeaked a close 12-11 win over the Progress club, while the Lee-MacEwan squad hammered the Amateur Hockey League team 15-0. The Lee MacEwan boys never left the diamond for the rest of the day and went on to dispose of everyone in sight. Their stamina was phenomenal.

Bowmanville had a rough ride right from the start. They had hardly hit town before they were smothered by the Uxbridge Hornets and were then dismissed by Claremont and the Uxbridge Sid Landry team.

The Uxbridge hornets had their sting removed by the Lee-MacEwan

boys in a 16-3 game that saw the Uxbridge pitcher removed by ambulance with a dislocated knee.

It was a close game with the clubs showing little batting power until Gord Ness singled home Bill Groves, who had hit for two, to take a fifth innings lead 1-0.

The local boys were hard pressed to hang on to their one run lead for the remaining two innings. Having disposed of Stouffville's Progress club in the semi-finals with a very impressive 24-8 win, the Sid Landry Construction team met their Waterloo and received an humiliating pasting at the hands of the Lee-MacEwan boys 20-1.

Coach Emmerson was delighted with the strength shown by his team. 'It was their best game of the year', he said.

Fastball Title won by Claremont

UXBRIDGE — Claremont took the title in the intermediate men's fastball league championship game against Uxbridge on Thursday evening.

Leading 2-1 in the 5 game series, the Claremont team worked hard to squeak a close 2-1 finish over their rivals after having trailed 1-0 for the first three innings.

Top honours of the evening were shared by Claremont's pitcher Darryl Norton and third baseman Larry Pilkey. Norton played a well

balanced mix that had the Uxbridge batters shaking their heads in dismay, while Pilkey tallied the winning hit.

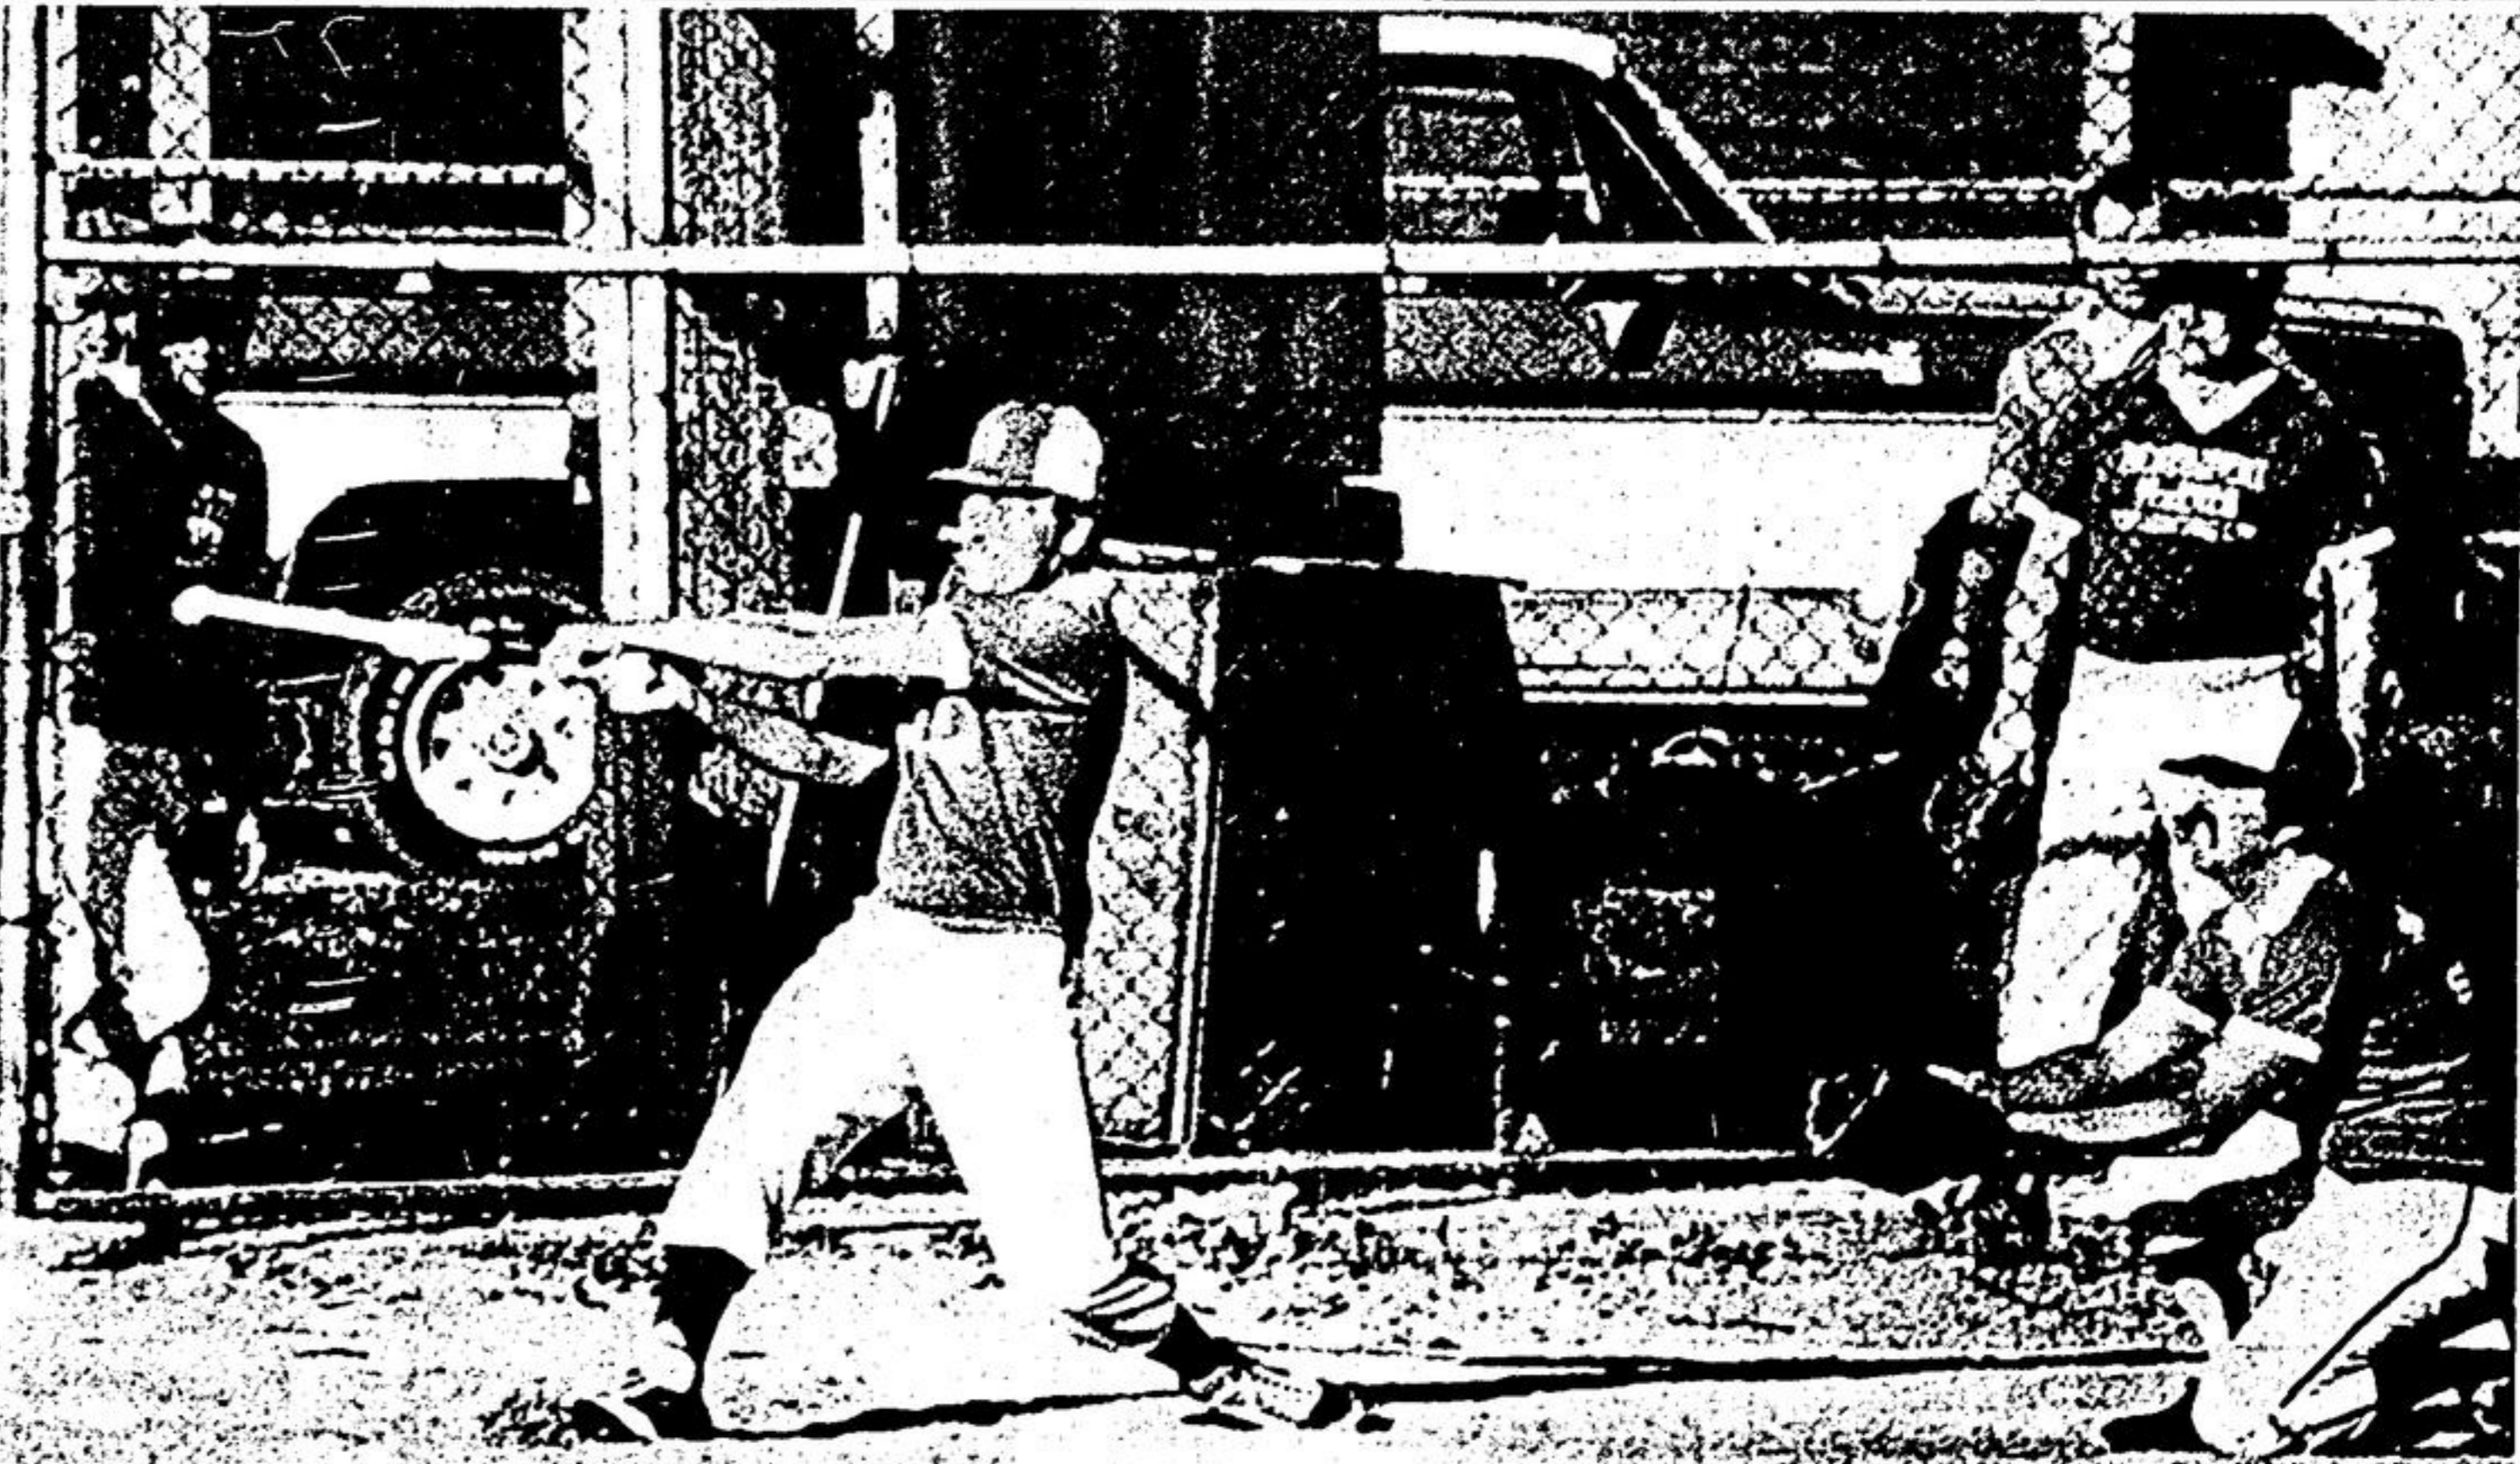

Uxbridge had a golden opportunity in the first innings when they took a one run lead and managed to load the bases. Unfortunately, no one could bring in the runners and two quick dismissals by Norton left the runners stranded.

Pilkey's winning hit was the only recorded triple of the evening,

and brought in Doug Rowe and Marty Uzzell for the 2-1 lead.

Norton held on to Claremont's slim lead when he put in a great performance in the bottom of the seventh, dismissing two Uxbridge bats in 6 consecutive strikes, the third was caught deep in centre field with a high ball.

Claremont hits came from Gord Lehman with a double and single while singles were tallied by Bill Carruthers, Howie Jones and Doug Rowe.

Marty McGriskin, of the MacEwan Construction-Lee Sand and Gravel slowpitch team, let this one get away from him in the game

against Stouffville's Amateur hockey league team.
