

"Girl Next Door"

Plans acting career

LEMONVILLE — It's a long way from Lemonville, Ontario to Hollywood, California, but there's a way there's a way.

"I wish," says 16 year old Laurie Carnie, RR 2, Stouffville. The first step to such a career will occur following graduation from Grade 12 at S.D.S.S. She plans to enrol in an acting course at Seneca College.

Laurie's interest in this sort of thing goes back to her primary years at school. However, Theatre Arts has convinced her there's a future in this field. She has high praise for staff teacher, Mrs. Stamatou.

Performing on a public stage holds no fear for Laurie. Theatre Arts, she says, has helped her overcome this.

She's our "Girl Next Door".

Laurie moved with her parents from West Rouge to the 7th Concession of Whitchurch-Stouffville four years ago. She remembers crying when told the news. She likes it now but being able to drive helps a lot, she admits.

Laurie enjoys most sports. Snow (downhill) skiing and water skiing along with horseback riding are her favorites.

This past summer, she took a trip to the West Coast. She's also been to The Bahamas and Florida. Some day, she hopes to visit Paris, France.

Laurie and boyfriend Steve Gurney of Toronto take in an occasional movie or go to dances. One brother, Robbie's at home. Another, Michael, lives in Calgary.

Will attend Seneca College following graduation

Sixteen year old Laurie Carnie, Conc. 7, RR 2, Stouffville, plans to enrol in an acting course at Seneca College following graduation from S.D.S.S. She credits Theatre Arts and teacher, Mrs. Stamatou

with assisting her into a future career. Laurie moved to the Lemonville area from West Rouge, four years ago. She enjoys most sports including downhill skiing in the winter and water skiing in the summer.

Athletes on the run

By Marg Roberts

The fall season is quickly approaching and the students of S.D.S.S. are literally "running into it". The cross-country running season has started. Visitors to the school or even the immediate area, have probably seen the wine and white clad athletes huffing and puffing along roads and through fields. For the most ambitious and hard-working participants, a team has been formed. They are preparing for future cross-country meets.

By now, everyone has settled into a schedule including the new students who have become accustomed to the daily routine.

The Year Book Committee is beginning its work. Additional helpers are needed. Plans are underway for the famous S.D.S.S. Variety Show. Organizers are on the hunt for fresh young talent.

The Inter-School Christian Fellowship has begun its meetings and hopes to get together once a week.

This past week, both athletic and non-athletic students joined forces in support of the Terry Fox Marathon of Hope. Terry's run across Canada has been an inspiration to all of us. The Students' Council, in co-operation with the Athletic Council has shown a determination to help. A large map of Canada, with Terry's route plotted on it, was projected on a large screen in the gym. Money was collected over a period of two days and every thirty cents received brought Terry closer to his destination. By Friday afternoon, the students had contributed just under \$500. This being our first combined effort, it's already evident that school spirit is very much alive in 1980-81.

Brian O'Connor

More awards

Each year United Breeders Incorporated sponsors beef and Dairy Silver Dollar Competition for Senior 4-H members.

In early August the competitors wrote the essay worth 150 points, and answered a quiz worth 250 points. August 30 was Show Day at Erin where 4-H members were judged on their showmanship abilities and their calf for type characteristics. Each of these sections was worth 300 points.

Brian O'Connor, RR 2, Markham, a member of the York 4-H Beef Club, finished 4th in a tough competition with 24 young people scoring 810 out of 1,000 points. Brian was also awarded 25 silver dollars for writing the best essay on the topic of "What recommendations would I make if the price of gasoline and diesel fuel rose to \$1.00 per litre?" Brian was also runner-up in the quiz section.

Ultra Mild
Medallion
Ultra Mild
There is absolutely no other cigarette quite like Medallion.
Warning: Health and Welfare Canada advises that danger to health increases with amount smoked - avoid inhaling. Average per cigarette: 1mg "tar" 0.1mg nicotine.

FUNDADOR
The classical duet from Spain
Fundador Brandy—Spain's first brandy. Aged in Domecq's own sherry casks for a deep mellow richness, like the music of a classical guitar.
Domecq Domain—the classical 5-year-old red wine from Rioja Alavesa, a masterpiece of beautiful balance.
Marketed across Canada by: Park & Tilford Canada Inc.

"Fired up"

YORK REGION — Ten years ago, Wayne Houston, vice-principal at Aurora High School was stricken with cancer.

He's now fully recovered but this personal experience has "fired up" the students of A.H.S. as they prepare for the "Marathon of Hope" event this Saturday.

The "run; walk or roller-skate" activity will involve not only the school but the entire town. The goal is \$2,500.

Staff Phys. Ed. instructor Rod Leonard is one of the chief

organizers along with Mr. Houston. Mr. Houston has already donated \$100 and will take part.

Registrations are being accepted at Aurora High, Thursday and Friday from 9 a.m. to 5 p.m., also from 7:30 to 9:30 a.m., Saturday.

Each person completing his or her chosen route is entitled to one Big Mac from McDonald's Restaurant. The person collecting the most pledges will be awarded a dinner for two at McDonald's.

The event begins at 9:30 a.m.
