Close family ties

Enjoys church-school

By JIM THOMAS
STOUFFVILLE— Her home, her church and her school—seventeen year old Janet McMurray, Elm Road, is very much involved in all three; and she enjoys the associations.

"We're a close family," she admits, repeating her parents' motto "if you do things together, you stay together."

Accompanied by brother Sean (University of Toronto) and sister, Shelley (Grade 10), they've travelled from coast to coast.

Janet's a 'server' within the congregation of Christ Church Anglican. She's a member of the Youth Group under the leadership of Rev. Philip Poole and Peter Parent and seldom misses a meeting or a service. She describes Rev. Poole with one word, "wonderful".

At Stouffville High, she plays the flute in the Senior Band and helps out on the Year Book staff. Her favorite subjects are music and science.

Other interests include snowshoeing, cross-country skiing, roller skating, canoeing and swimming.

A few years back, she took ballet dancing lessons under the guidance of Molly Mumford. She enjoyed this recreation so much, she may take it up again.

Janet's our "Girl Next Door".

A native of Stouffville, she plans to complete Grade 13 and go on to university in a four-year physiotherapy course.

Janet appreciates the fact she has her

licence, obtained through the Pro-Driver's Course. Presently in

Grade 12, she readily admits that her parents are always anxious to help if

assistance is required. Both her mother and dad are school teachers.

This past week, volleyball was one of the big events in athletics at SDSS. On Tues., Nov. 4, the senior Spartans travelled to Woodbridge to compete in the York County Championships. The Spartans played extremely well and emerged as York County Champions! This is the 10th year the Spartans have won the York County's. The team played four games and won them all, defeating St. Robert's and Richmond Hill. The seniors now advance to the Georgina Bay Championships to be played at St. Robert's Nov. 13 (today).

The midget volleyball team also made a fine showing at the York County's, winning 3 out of 5 games.

Last week the Junior girl's basketball team played their best game of the year. They defeated Huron Heights 29-16. Stouffville has now finished the regular season with 9 wins and 3 losses. This puts them in second place overall. The team goes on to the first round of the play-offs to be held at SDSS this week.

The SDSS Variety show is fast approaching. There will be two performances Nov. 27 and 28. This year's director, Ken Milne, says the show is coming along well. Last week, Beth McBride and Larry Kavanagh were chosen M.C.'s.

Friday, Nov. 14 is Commencement night.

Last year's Grade 13 students and the Grade 12 students that did not come back this year will be returning to receive their diplomas and other awards. Mr. Samuelson's senior band and Mr. Rehill's choir will perform at this event.

Mr. Rehill's choir is
