# Teeter totters Pro-Hardware

STOUFFVILLE — In amateur hockey play on Sunday morning, Fawn's Sports — The Green Machine — edged Pro-Hardware's men-in-red 3-2; however, it took them three periods of hard work to achieve their win. The machine lived up to its reputation for consistency; scoring a goal in each period. Unfortunately, their win was slightly tarnished by the fact that they could only pick-up the winning goal on a powerplay. Neither team seemed eager to 'mix it' in the first period, despite the fact that Sam Casarina put Fawn's ahead on John Tordella's assist.

Fawn's scored their second goal, with Jim Teeter salting the game away. Both goals were unassisted. Other league scores were as follows: Smirhwaite Heating 6 - Guaranty Trust 4. Smirhwaite goals: Ken Chupa 3, Ron Graham 1, Ed. Rose 1, John Beal 1. Assists: Doug Gornal 3, Gary Yoshida 1, Ron Graham 1, Guaranty goals: Vern Thompson 1, Ron Arends 1, John Blair 1. Assists: Ron Arends 1, Vern Thompson 1, John Blair 1.

Travel goal: Larry McCourt 1. Farquharson 1. Assists: Realy goals: Jim Gibson 1, Peter Mabeley 1, Dan

# TO SMOKE OR NOT TO SMOKE.

There's a good chance that you've been giving some serious thought to smoking.

The question is, what are you going to do about it? If you've never smoked, or if you've quit smoking, we're not urging you to start.

But if you're a smoker who's not ready to give up the enjoyment you get from smoking, we'd like to call your attention to Vantage.

Vantage is the cigarette for people who may have had second thoughts about smoking and are looking for a way to do something about it.

Vantage cuts down substantially on what you may not want, without cutting out that satisfying tobacco flavour you've come to appreciate.

Now Vantage isn't the only cigarette of its kind you can smoke, but it may well be the only one you'll enjoy.

To put it simply, Vantage still tastes like a cigarette.

Vantage. That is the answer.

Warning: Health and Welfare Canada advises that danger to health increases with amount smoked—avoid inhaling. 11 mg. "tar" 0.8 mg. nicotine.
