

# Thirteenth win

The Bantam A's battled a 'chippy' Pickering team in a penalty filled game for a 6-0 win last Monday evening. This followed an impressive 5-1 over Richmond Hill in an exhibition game the previous Saturday. Lou Tesoro opened for the A's, on a short-handed goal halfway through the second period; after which they dominated play for the remainder of the game. Good passing plays from Lee and Chris Brown resulted in a hat-trick for Mike Anderson who proved himself deadly around the Pickering net. Brad Evans and Chris Brown rounded out the scoring with singles. Netminder Rick Vallee put in a big performance, stopping 26 shots to earn the shutout.

## Clippers edged

STOUFFVILLE — The Clippers, not unexpectedly, went down 5-4 against Bowmanville on Saturday evening, but not before they had conceded the home fans that they are capable of finishing in the top three this season. It was a punishing, purely physical game in which both sides saw their fair share of the penalty box. The Clippers were first on the board with Steve Spang's early goal, on Joe Twinn's assist, and the first period ended 1-1 on Bowmanville's powerplay. The visitors matched goals with the home team in the second period, with Greenaway and Twinn scoring for the Clippers. Having gone ahead 4-3 at the fifteen minute mark the Clippers eased the pace and allowed Bowmanville to tie the score within five seconds of the face-off. With five minutes left to play the visitors saluted the game away and, despite an effort to take the comeback trail, the Clippers were missing the vital goal at the buzzer. Next game is at Lindsay on Friday off, then, as far as the evening when they face the league front runners, the Cobourg. This is going to be the game to watch. If the Clippers pull this one off on Friday, then, as far as the Clippers face another 'biggy' on Saturday is at 7:30 p.m.

## Dump Uxbridge

STOUFFVILLE — The Atom A's continued their winning streak with a 4-2 home win over Uxbridge on Dec. 3. Playing it safe, the Stouffville squad salted away four goals in the first frame; making it tough for the visitors to combat such inflationary measures. Uxbridge did manage a single in the final minute of the frame. A second goal by Uxbridge in the first minute of the second period was signal enough for the A's to tighten their grip on a comfortable 4-2 lead; which they did. Kirk Smythe set the pace with two goals, with Craig Stronach and Darren Baston adding singles. Assists went to Mike Ferguson, Craig Stronach and Darren Baston. On Friday, on the big ice surface of Port Perry's new arena, the Atom A's began the first period with energy and enthusiasm and were unlucky not to score. A second frame goal by Brad May, on Guy Murriff's assist, saw the A's lead 1-0 going into the third period.
