STOUFFVILLE — H-e-r-e's Tammy! While the introduction may not be quite that dramatic, there's a chance, a very good chance, that 16 year old Tammy Veitch, may make it big on T.V.

was named Stouffville High's top female track star. Her specialty is the 400 meters. Tammy's residence puts her in the Markham High

School area but she preferred to attend at Stouffville because, in her words, "that's where most of my friends are". She works part-time at Parkview Home.

Tammy and boyfriend Mike Petersen often take in a good movie when out together or just visit each other's homes. Mike's also a student in Grade 11.

**Seize guns man charged**

CEDAR VALLEY — Words rather than weapons resulted in the surrender of a man after York Regional Police and the R.C.M.P. were called to investigate a shooting at a residence on the 5th Concession of Whitchurch-Stouffville. According to officers, a second shot was fired and a door was slammed shut as they approached the residence to question the party inside. Later, police talked Maurice William Groves, 20, of Cedar Valley into giving himself up. Two shotguns, several judo sticks and a quantity of marijuana were seized. Groves is charged with having weapons, dangerous to the public peace; possession of prohibited weapons and possession of marijuana for the purpose of trafficking.

The Grade 11 student at Stouffville Dist. Secondary School recently received her diploma following completion of a course offered by the West Barron School of Television, Toronto. Whether the future holds a career in modelling or acting, Tammy's not particular. Right now, she's concentrating on completing 2 1/2 more years at S.D.S.S. and going on to university. Theatre Arts is her favorite subject.

Tammy moved to the Ninth Line of Markham (south of 17th Avenue), eleven years ago from Scarborough. She enjoys the wide open spaces where she can ride her horse "Mandy" and take care of her German Shepherd dogs "Grizz" and "Chubb". In the winter, she cross-country skis and in the summer, she enjoys the same sport only on top of the water at the family's cottage near Burk's Falls. In 1979-80, she
