

Hamlet of Whitevale Life goes on

By MARION LEGGE
WHITEVALE — 1981 and all is thriving in Whitevale...that hamlet which has settled itself around Duffin's Creek and T.L. Wilson and Sons Mill on the 5th concession of Pickering. We have survived the onslaught of the proposed airport to the north and the North Pickering development to the south. We've managed to get our homes from the Government and back into private hands. The Mill Race is empty, the Mill no longer depends on its water to drive the big wheels. Our hydro powered Mill is a thriving centre in our village and is a constant reminder to us that we are still an agricultural community. Ali, Red, Gord and Ken still running the Mill as they did with their dad many years ago.

Thank goodness we still have the Wilsons, Hornshaws, Metcalles, Whites, Balls, Anthonys, Buns, and Mrs. Herbert. Many have departed - we have new faces. It's good to be able to feel our deep roots and those of us who had only been living here a few years when the Airport hit are only now beginning to realize how much we've grown over the years. Many changes have taken place.

The Baptist Church became a private residence and Beth Johnston moved to Markham. The United Church is alive and well with services throughout January in Cherrywood at 10:15 a.m. The Sunday School will also be in Cherrywood this month in the Church Hall at 9:00 a.m. Call Sonja Ellis (who, by the way lives in the old hotel) 294-0927 for information. The children's choir will continue practice on Tuesday after school in Whitevale United, Call Sonja for that information also.

The library with Kay Sayer at the helm, has remained a constant and integral part of our community.

We have an active residents association with Don Given, the president and an executive of John Perman, Gord Wilson, Lloyd Thomas and Beckie Constantines. A community centre idea has been flourishing. A few hard-working individuals have been credited with getting it all on paper for a proposal to our local representatives for approval and direction in the near future. If you would like to be actively involved, please call Ron Dawe, Judy Donaldson, Rick Field, Bryan and Betty Kerman, Linda Loth, Bill O'Donoghue, Jack Schoon, Lloyd Thomas, Gord Wilson or Marion Legge.
