Town Museum Give-win plaudits

STOUFFVILLE — One good turn deserves another, as the saying goes. And, it was no more apparent than in two letters received by Whitchurch - Stouffville Council last week.

One was from Mary Hopkins, director-curator of the Town museum at Vondorf, to Richard Preston, RR 1, Gormley. In it, Mrs. Hopkins expressed thanks from the museum board, the Town and the museum "for the fine work you've done as a volunteer."

Mr. Preston, through his repair and recycling efforts has saved the museum board both money and work, she said.

"We are very fortunate in having the expertise of volunteers such as yourself," Mrs. Hopkins wrote.

In the other letter, Brenda Polley, Victoria Square, said she and others were always pleasantly surprised by the interesting exhibits presented by Mrs. Hopkins during visits to the Museum.

Suffers fall

Gertie Hood, well-known in the Buttonville community, suffered a serious fall, Sunday, while leaving Brown's Corners United Church.

Share Lions' prize

Sharing the top prize in the Stouffville Lions-sponsored Elimination Draw, Saturday, couldn't have come at a better time for York North M.P.P., Bill Hodgson (right), in the midst of an election campaign.

Bill and Mick Erskine (left) of R.R. 3, Stouffville, split the \$3,600 grand prize, agreeing that "a bird in the hand is worth two in the bush."
