"Girl Next Door" A hockey fan

By JIM THOMAS
STOUFFVILLE — That smiling face across the refreshment counter at the Stouffville Arena could be one of several persons.

Sixteen year old Tracey Broom of Cemetery Lane describes the girls as "one big happy family". And who should know this better than Tracey herself? For she adds to the pleasant atmosphere that prevails.

She's our "Girl Next Door". Tracey admits she was never much of a hockey fan until she started working there. The enthusiasm of the players and fans has "rubbed off". She finds herself just as excited as the rest.

It was six years ago that Tracey's parents moved from Richmond Hill to Stouffville. Mr. Broom's a captain with the Town of Vaughan Fire Department.

"I love it here—I think I could live in Stouffville the rest of my life," she says, indicating that between school and work, she finds a lot to do.

A student in Grade 11, she sings in the senior choir. She also participated in the Variety Show, both on stage and behind-

the-scenes. She describes staff teacher Jim Rehill as "really great—one of my favorites". Away from school, Tracey's interests include roller-skating, camping, travelling, horseback riding and swimming. She hopes to add badminton to this list shortly.

Following graduation, she plans to enroll in a hairdressing course. Even now, she practices on her two sisters, Ann and Margaret-Jean but brother Gary's still a bit reluctant.

Tracey admits she was a closeness with her parents. She refers to them as "super".

On the music scene, she dislikes hard rock. Her interests instead, tend towards country and western, particularly bluegrass. A favorite performer is Kenny Rogers. "At least, I can understand what he's saying—there's a story to his songs," she says.

Tracey's been to Florida a couple of times, also Vermont and Nakina in Northern Ontario. Some day she'd like to see the sights of Greece, Italy and maybe Australia. But for now, she's satisfied with Stouffville.

"It's nice to walk down the street and say Hi to just about everyone I meet!"

Sixteen year old Tracey Broom, Cemetery Lane, is a Grade 11 student at Stouffville Dist. Secondary School.

Following graduation, she plans to enroll in a hairdressing course.
