Stage mock disaster

The Markham Search and Rescue organization, that includes several from Whitchurch-Stouffville, staged a mock disaster, Friday at Stouffville Dist. Secondary School. Members responded to the emergency in an efficient manner, organizers said. The 'patient' here is Grade 8 student Andrew Alles of North Street, Stouffville.

Clothing sale

Dear Editor: Re Why the sale and what use is made of the proceeds? We must pay rent for the space above the firehall on Main Street. There are phone bills and other expenses such as buying bedding, men's footwear and other items. We also assist with the distribution of boxes at Christmas.

At the present time, we are serving approximately 300 families. All names are confidential. We also provide food and furniture when its available.

Anyone needing assistance, can apply through a social worker, a public health nurse, doctors, ministers, service clubs or reliable individuals who are aware of the requirements. Hours at the Centre are 1 to 3:30 p.m., Monday through Thursday, excluding holidays.

There's a drop-in box for clothing outside the firehall. Anyone in need of furniture should call 294-4746. In case of emergencies such as fire or sickness, the numbers to call are 294-4746; 887-5553 or 294-0386.

Sincerely,
Agnes Magee,
President.

THE ENVIRONMENTAL ASSESSMENT ACT, 1975

NOTICE OF COMPLETION OF ENVIRONMENTAL ASSESSMENT REVIEW

RE: An Environmental Assessment for Highway 404 between Gormley and Aurora Roads in the Regional Municipality of York

Proponent: the Minister of Transportation and Communications

EA File No. 1-80-0007-000

TAKE NOTICE that an environmental assessment for the above undertaking has been received from the Minister of Transportation and Communications and a review has been prepared by Ontario Government Ministries and agencies.

The review is intended to assist the public in its consideration of the environmental assessment and the undertaking. The review represents only a preliminary position based on the comments of the staff of the Provincial Ministries and agencies involved in the review. It does not represent a decision.

The review of the environmental assessment recommends that the environmental assessment be accepted as satisfactory basis for making a decision on whether the undertaking should proceed and the undertaking be given approval to proceed subject to conditions.

A copy of the environmental assessment and the review may be inspected in the full Public Record during normal business hours at the following locations:

Ministry of the Environment Environmental Approvals Branch 10th Floor 135 St. Clair Ave. West Toronto, Ontario M4V 1P5	Ministry of the Environment Central Region Suite 700, 150 Ferrand Dr. Don Mills, Ontario M3C 3C3
---	--

Copies of the environmental assessment and the review are also available for inspection at each of the following municipal offices:

The Regional Municipality of York 62 Bayview Avenue Newmarket, Ontario L3Y 4W9	The Town of Aurora 50 Wellington Street W. Aurora, Ontario L4G 3L8
---	---

Under the Act, consideration must now be given as to the acceptance of the assessment and whether approval to proceed with the undertaking should or should not be given and, if given, whether the approval should be subject to any conditions.

Before these matters are considered, any person may make a written submission with regard to the undertaking, the environmental assessment and the review thereof and may also require a hearing by the Environmental Assessment Board. The submission and/or hearing requirement should be sent by registered mail or delivered to me at the address below. A submission may be made in any form that clearly indicates the purpose of the document. The Regulation under the Act provides a form which may be used for a submission, but use of the form is not mandatory.

Any submission or requirement should be received by me no later than May 17th, 1981.

Only those persons who make written submissions or require a hearing or otherwise advise me, will be placed on the mailing list for subsequent notices or orders.

Town and country car.

Introducing the new Volkswagen Pickup.

The VW Pickup is handsome on the inside and handy all around. It has a thrifty diesel engine with a fuel consumption rating of 5.5L/100km* (that's over 50 miles per gallon!) coupled with a 5-speed manual transmission. The front wheel drive gives superb handling and traction. The pickup is luxuriously appointed to make driving a pleasure. Test drive the VW Pickup soon. *Rating based on approved Transport Canada test methods. Your fuel consumption will vary. Don't settle for less.
