Marney Ashton

Top junior girl athlete at Bayview

By EVELYN MILSTED

GORMLEY — It's been quite a year for Marney Ashton, a Grade 10 student at Bayview Secondary School, Richmond Hill. At an assembly, Friday, she was named Outstanding Junior Female Athlete of 1980-81 and presented with a huge trophy, emblematic of this accomplishment. "It was a real thrill," said the vivacious sixteen year old who excels at basketball (she was on the all-star team), soccer and track and field. One of her specialties is the shotput. "Added to all this, Marney takes jazz dance lessons and is a member of the top baton-twirling corps in Ontario. In 1982, she'll compete in Hawaii. In order to keep extra busy, she let her name stand for election to the school's Student Council and will now hold the position of secretary in 1981-82. Winning awards is by no means a new thing for Marney. Back in Grade 7 at Crosby Heights Public School, she was selected Athlete of the Year. "But this was even better," she said of last week's presentation, "because there were more competitors". The community offers congratulations.
