STOUFFVILLE — Darren Gornall got the third goal of the game when he was set up perfectly by Jay Edwards. Edwards played a strong game for Stouffville setting up several goals.

The Stouffville team controlled the game right from the beginning and took most of the play to Kirkland. Led by Vince Nardi, with two goals, the Royals set up their goals with some well executed passing plays.

Peter Hary opened the scoring early in the game. The second goal was scored by Nardi with a nice shot to the left hand corner of the net.

Derrick Henze, Peter Hary, Joey Waldherr, Jeff Carney, Vince Nardi, Jay Edwards, Darren Gornall, Steven Morrison, Swen Schellenberg, Craig Johannessen, David Ledlie, Craig Mucci, Kevin Atkinson, Karsten

Henze, and Scott Paisley. The team manager is Linda Carney. The coach is Martin Johannessen.

Playing in pretty poor field conditions, both teams put on a good exhibition. Some good goaltending by Kirkland kept the score from being in the double figures.

Other scorers were Craig Mucci, Kevin Atkinson, and Steven Morrison.

Pewees win twin-bill

STOUFFVILLE — It's quite a switch from fastball to baseball, but Stouffville's Peeewe team proved quite adept at both.

In a twin-bill contest against Kirkland, Quebec, the home-town lads won 11-4, Saturday in fastball, then 5-1 on Sunday in baseball.

In Saturday's fixture, a big five run sixth inning, wrapped the victory up for Stouffville: Power hitters were Frank Sluga with a 4-bagger; Dan Fowler and George Collins, each with doubles. Coach Bob Morin used three pitchers, Brian Langford, Allan McLean and Greg Tarr. All threw well although Tarr found himself in a bit of trouble in the sixth when he yielded a home run, a triple and a walk. At the plate, he poked out a pair of singles.

In the second game, Sean Mc Quigge and Allan McLean shared the mound chores for Stouffville against Peter Calcutus and Andrew Parsons of Kirkland.

George Collins belted a 2-run double for the winners. Greg Tarr also connected for a two-bagger.

Irish team tops

STOUFFVILLE — Soccer with an international flavor was 'served up' to Stouffville fans here last week and despite the fact they choked a little on the score, they licked up every morsel.

It was Home Farm, a suburb of Dublin Ireland, that came to town, and the contest that followed, proved the feature sports attraction of Canada Week.

"A highlight of Canada's birthday celebration," was the way Mayor Eldred King put it in welcoming the overseas visitors. Then, after presenting an autographed Stouffville history book (all Stouffville players signed it) to Home Farm coach Doug Boucher, he exclaimed "may both teams win". Adding further color

to the ceremonies was the appearance of the Whitchurch - Stouffville Concert Band. They played before the game and at half-time.

As to the mayor's wish that "both teams should win", Stouffville coach Martin Johannessen would undoubtedly have settled for a tie. But it wasn't to be. They lost 5-1.

But the score didn't matter. Besides, no one including Coach Johannessen expected Stouffville to win. He described the opposition as "the class of all teams we've ever played".

Kurt Ianuzzo, Stouffville's competitive goalkeeper, was the local's No. 1 star. He completed several fine stops, including one that glanced off his outstretched hands and then

the post but stayed out. Peter Hary was the lone marksman for Stouffville. He booted the ball into the twine after being set up beautifully by Jeff Christensen.

The strength of the Home Farm soccer program is revealed by the fact they have 28 competitive teams excluding entries in the Irish senior league. They have more than 70 teams in house league.

For this particular club, it was their first time in Canada. Other teams have been here on three occasions.

They left Dublin June 24 and will return July 24.

Home Farm scorers were - Sean Nolan, Jeff O'Sullivan, Doug Boucher, Terry Keegan and Jimmy Guerin.

The Stouffville lineup included - Kurt Ianuzzo, Derrick Schellenberg, Karsten Henze, Jeff Carney, Joey Waldherr, David Ledlie, Craig Mucci, Craig Johannessen, Kevin Atkinson, Vince Nardi, Steven Morrison, Jay Edwards, Peter Hary, Darren Gornall, Gerry Visco, Dieter Swartz, Jeff Christensen, Chris Tymann and James Baggs.

Blank Thornhill

Tigers win again

STOUFFVILLE — The Canadian Tire Major Atom 'Tigers' chalked up their fifth victory of the soccer season, June 30, blanking Thornhill 2-0. To date the club has suffered only one loss and no ties.

Seven Henze put the home town Tigers out

front on a penalty kick. He booted a sizzler past the helpless Thornhill goalkeeper.

It was a see-saw battle until Chris Topping crossed the ball to Tom Walters outside the penalty area. Walters made no mistake, hitting the goal just below the crossbar. It was his first

score as a member of the Tigers.

Scott Evans turned in a fine performance between the posts and earned the shutout, his third in league play. Ted Stonehouse also played well, coming through with two good scoring chances only to be thwarted by the Thornhill goaltender.

Girls lose

STOUFFVILLE — It took a girls' team from Kirkland, Quebec to register lone victories in a weekend of fastball, baseball and soccer.

In competition against Stouffville, the visitors registered one-sided victories, 22-6 and 12-7.

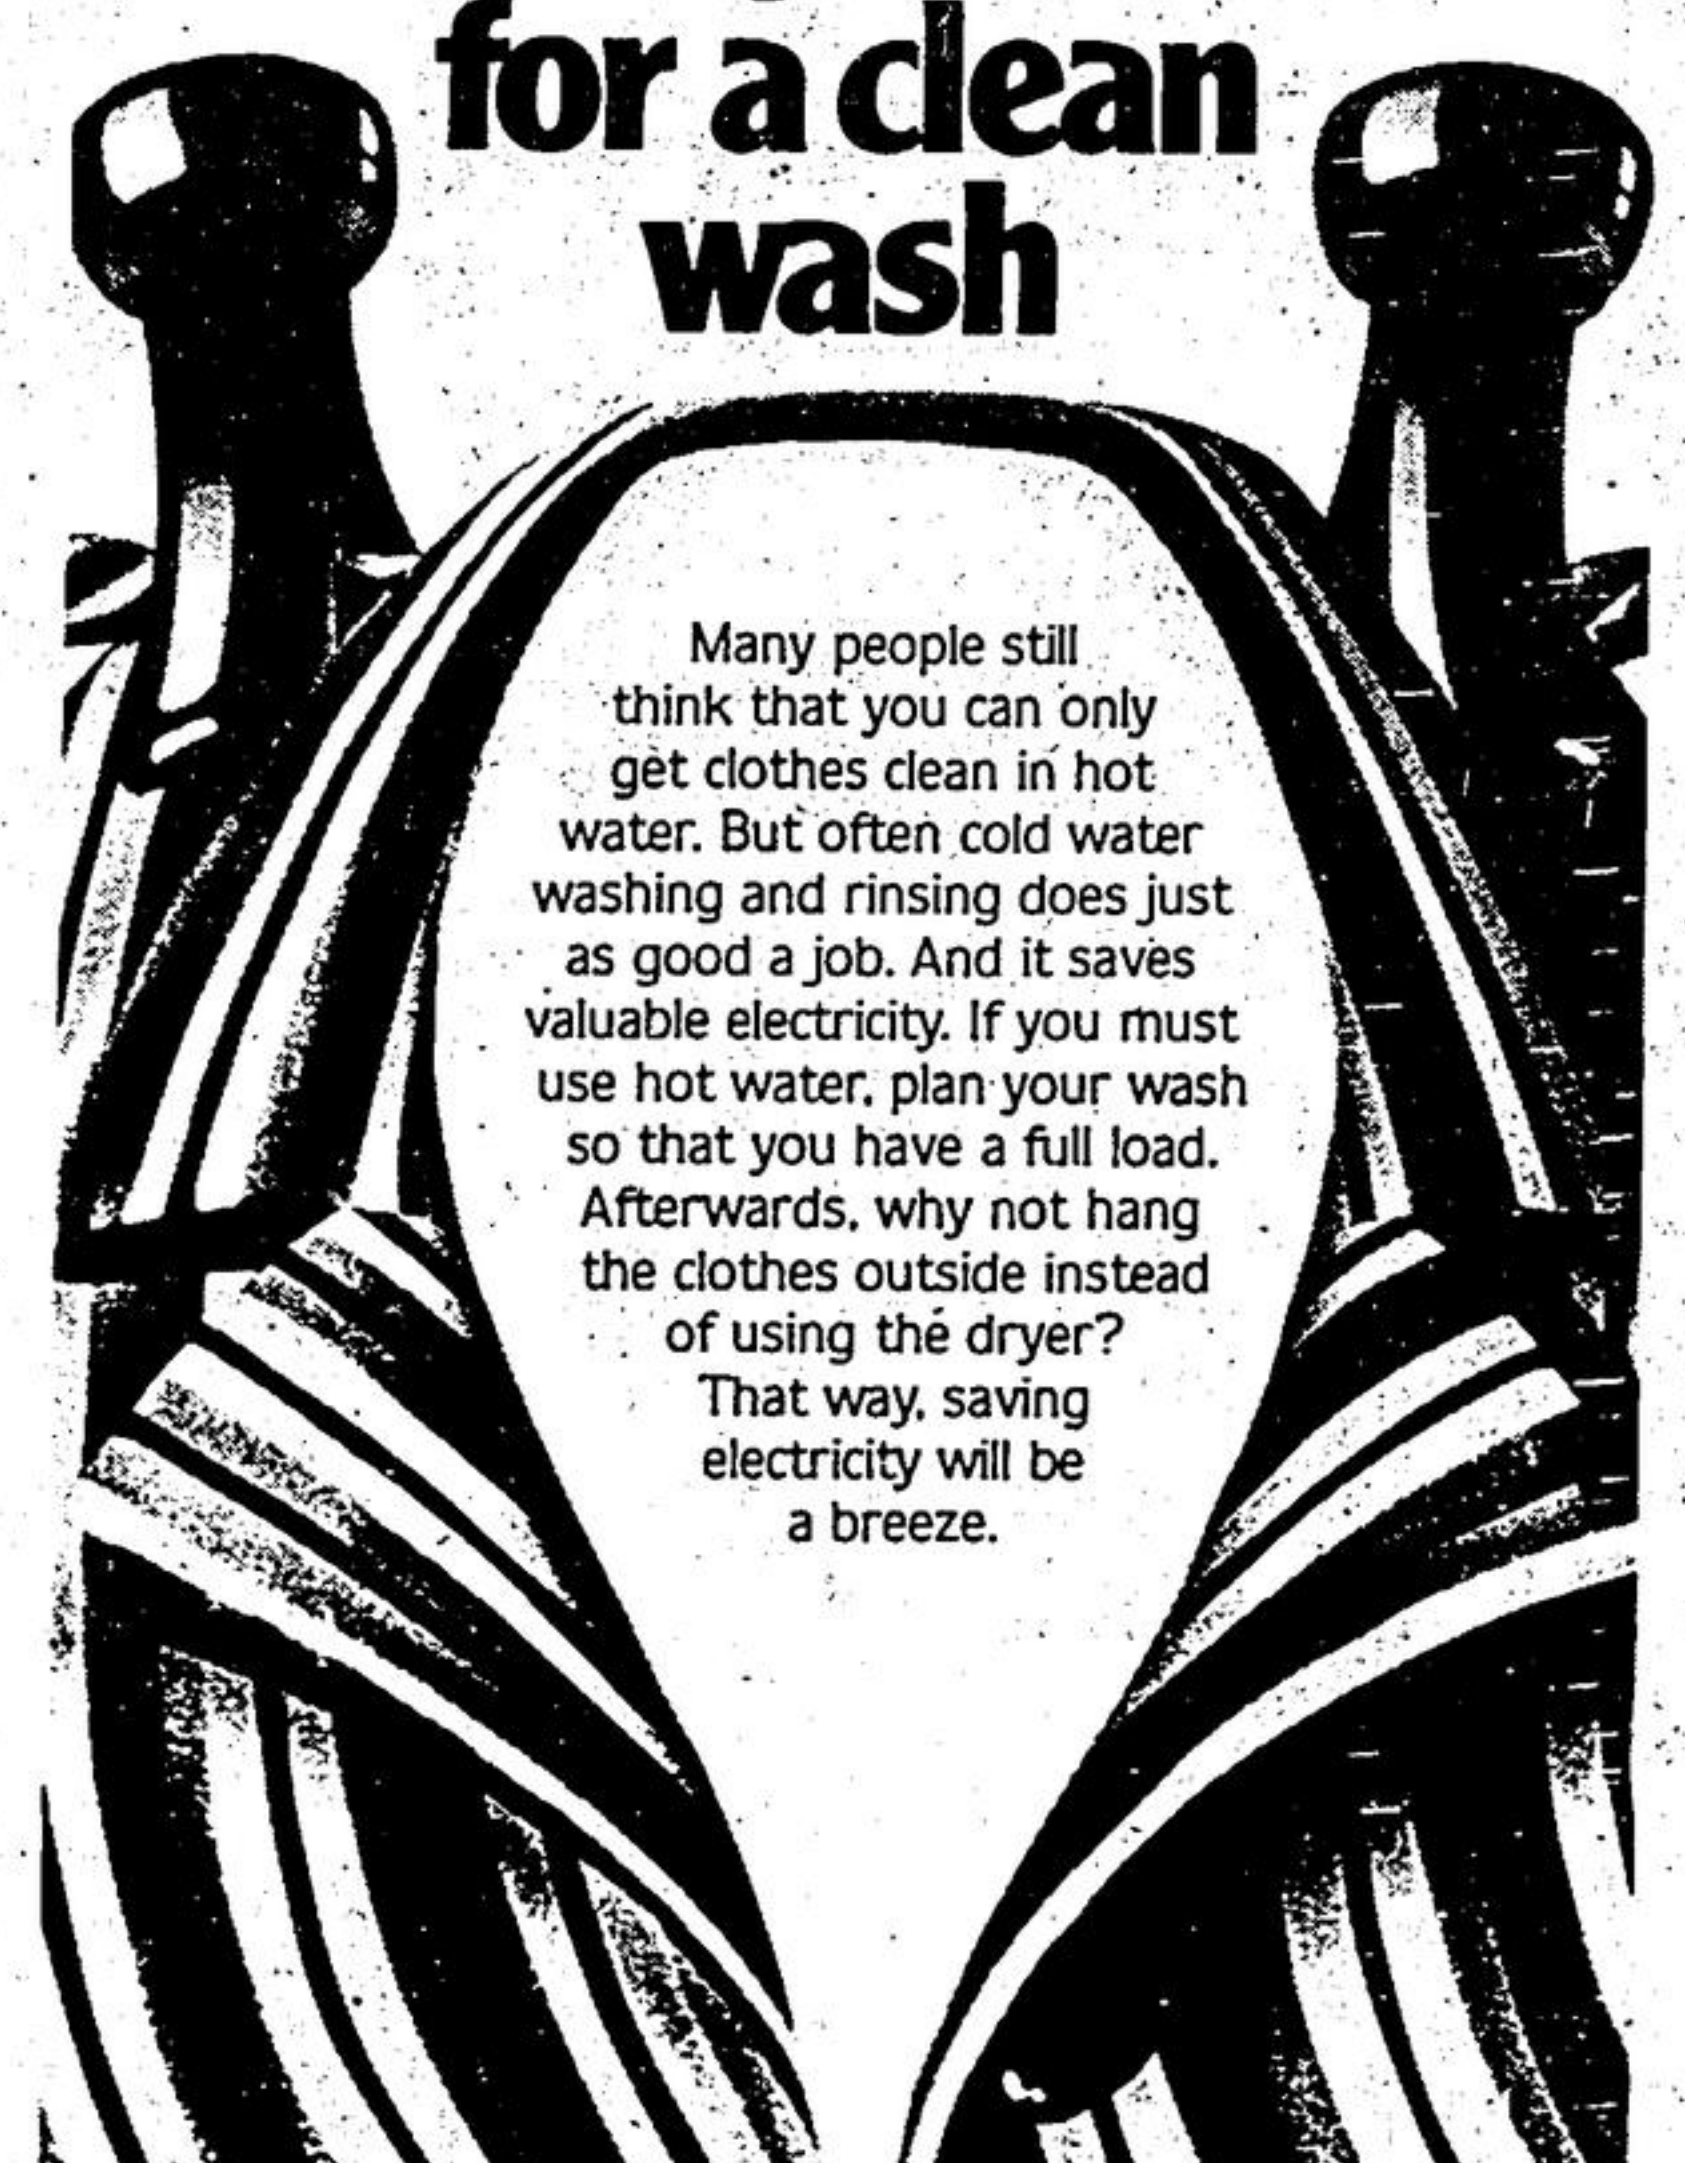

Debra Surman, Linda Belisle and Catherine Dunkeld took turns on the mound for Stouffville. Catherine Dunkeld slammed two home runs for the home town team.

Belts two homers

STOUFFVILLE — Dawn Schell belted two home runs and Sue Humphreys clouted one as Ken May Real Estate downed Canadian Tire 15-11 in Stouffville Ladies Fun League competition, June 30. Power at the plate for Canadian Tire was provided by Sandy Ramer and Minnie Bell. Each socked round-trippers.

In the evening's second contest, Muriel Hoover and Carol Small smashed four baggers to give Lee Sand and Gravel a 20-18 victory over MacEwan Construction. Kathy Ortlieb hit a homer for the MacEwan squad.

You don't always need hot water for a clean wash

Many people still think that you can only get clothes clean in hot water. But often cold water washing and rinsing does just as good a job. And it saves valuable electricity. If you must use hot water, plan your wash so that you have a full load. Afterwards, why not hang the clothes outside instead of using the dryer? That way, saving electricity will be a breeze.

HOW FAR CAN YOU GO ON \$2.25?

That all depends on how you go. A taxi would take you about 2.2 kilometers. Your own car would get you about 11 kilometers. And once you got that far, you'd probably have to pay for parking.

GO Transit will take you 43 kilometers, in comfort, for \$2.25. Of course, if your trip is shorter, it'll cost you even less. That price includes the fare increase effective July 1. Our fuel costs have risen 54% since the last fare increase, and are expected to rise further in 1981. Government subsidy keeps your portion of the cost lower than it would otherwise be. By comparison GO Transit is still, the best way to GO.
