Loves to travel

By Greg Coates
STOUFFVILLE
Patty Young enjoys travelling. She and her family have vacationed extensively across Canada and the United States. Although she doesn't know why, Patty says she has always wanted to go to Martinique. "I guess I read about it in a book," she said. Patty's our "Girl Next Door."

Patty, 15, attends Stouffville High and is going into Grade 11. She doesn't know exactly what career she'll follow, but says it will probably relate to fashion or interior decorating.
Patty enjoys the outdoors. Some of her interests include swimming, snowmobiling and skiing. She also likes movies and concerts. "I enjoy being with friends and visiting the city," she says.
Although she hasn't been to one lately, another interest is car racing. The last event she attended was in Daytona last February.
Patty was a staff employee at a lodge in Vermont for three weeks at the beginning of the summer. Although she isn't working now, she says she's
