The Sousses play their first regular season game on Monday, October 19 against Dominion Auto.

It's simple how quickly one may lose pounds of bulky unsightly fat right in your own home. Use this recipe plan yourself. It's easy - no trouble at all and costs little. Take two tablespoons full twice a day and follow the Naran plan.

If your first purchase does not show the simple, easy way to lose bulky fat and help regain slender more

graceful curves; if reduced inches of excess fat don't seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles just return the empty bottle for your money back.

Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness...

Note how quickly bloat disappears - how much better you feel. More alive, youthful appearing and active.
