**Surprised**

Dear Sir:  
 With respect to the proposed Emergency Task Force meetings on the state of our agriculture, planned for Victoria Square, Nov. 2 and 3, I was interested and somewhat surprised to read in your paper of Sept. 24 that Harvey Brown, one of this area's most respected and knowledgeable farmers, is opposed to the setting up of a marketing board for beef.

starving, it's my opinion (however selfish), that charity begins at home. And by charity I mean a good many Ontario beef producers.

Mr. Brown is to be commended for his attitude. I never thought I'd see the day when a farmer would adopt such an outlook. However, in my opinion, a beef marketing board is the only way to go and I don't doubt for a minute it will soon come about.

Thanks for the space.

Sincerely,  
 Frank Gorman,  
 R.R. 1, Mount Albert.

**Negative**

Dear Mr. Thomas:  
 I'm extremely interested in the Culture and Recreation Plan for Whitechurch - Stouffville although (unfortunately) I couldn't attend the wrap-up meeting, Sept. 24.

In reading your paper's report on the discussions that took place, I gather that much of the comment was negative.

This is strange if one goes by the positive replies received during the canvass (e.g.) - an indoor pool, teen centre, movie theatre, etc.

Could it be that the 'aginners' spoke their minds while 'those in favor' remained silent? With the exception of Mrs. Goldman, this appeared to be the case.

I, for one hope Town Council sees a need for improved recreational facilities here and presses on towards this end.

Sincerely,  
 Alex Freeman,  
 R.R. 2, Stouffville

**My thanks**

Dear Jim:  
 Through The Tribune, I wish to thank the following people who helped make the season for the Stouffville Stingers Ladies Softball Team a great success.

Without assistance from the following, we would have had difficulty operating - Stouffville Dist. Credit Union, Stouffville Legion, Montgomery Construction, George Ross Photo and Schell Lumber; also The Tribune for reporting the results of our games; Mr. and Mrs. Ivan Goudie for opening their homes to team meetings; the fans, the ground crews and tournament scorekeepers. During the season we won the South Lake Simcoe Tournament. And last week, we won the League Championship for the second year in a row.

A special thank you to Dave and Linda Stapleton for helping to coach.

Sincerely,  
 Cliff Dunkeld, Coach

**Suffered enough**

Dear Editor:  
 According to The Tribune, our village (Claremont) is about to lose another industry. Booth Dispensers Ltd., are moving to Ajax.

This is unfortunate. This community can ill-afford to lose this firm, particularly for the reason (rejected expansion) mentioned.

Claremont when the Sacro plant shifted its location to Hwy. 48 near the 401. It was a blow to Claremont when fire destroyed the Charles Cooper Limited store. Now this.

If things continue, we'll be something less than a dot on the Durham Region map.

Sincerely,  
 Isabelle Perry
