

Bantam team loses opener Huntsville here Sat.

STOUFFVILLE — In their semi-final opener against Huntsville, Saturday night the Edwards-Murphy Bantam A's were edged 3-2; but not through lack of trying. They outshot

their hosts 5-1, but were stopped by superb Huntsville goaltending. Bill Hutchison opened the scoring two minutes into the game with the A's keeping the play in the Huntsville end for most of the first period. Unfortunately, they missed several good scoring opportunities. Three consecutive goals by Huntsville saw them lead 3-1 at the end of the second.

Ken Burrows scored in the third, followed by two disallowed goals which could have wrapped it up for the A's. This, along with an unnecessary penalty late in the game, accounted for the A's first

loss in 10 playoff contests. Adding insult to injury, Huntsville had only one shot on the Stouffville net in the final frame.

Next game is Saturday in Stouffville at 7 p.m.

With the Juveniles and Peeewe A's now out of the running, a full house is assured.

The remaining three games in the schedule follow: Wed., March 24, at Huntsville, 7:30 p.m.; Fri., March 26 at Stouffville 8 p.m.; Sat., March 27, at Huntsville 5:30 p.m.

Series a cliffhanger

Steelers tie

STOUFFVILLE — The Sound of Music atom Steelers are within one point of winning their 2-3 series against Bowmanville.

On March 8, the Steelers skated to a hard fought 3-1 victory. Chris Taylor opened the scoring on Craig Stronach's relay. Bowmanville tied things up and it was Danny Larmer who put the Steelers ahead to stay, converting Brad Tiley's setup. The insurance goal came from Kevin Blacktopp with only seconds left to play. Danny Larmer gave the assist.

A disallowed goal, playing shorthanded, and a number of players away with flu. Not the sort of combination to inspire a winning streak. However, despite their backs-to-the-wall position they came up with a 4-4 tie.

Kevin Francis' marker opened the scoring early in the first period with Jamie Campbell and Brad Tiley giving the assists. Kevin Blacktopp made it 2-0 on Danny Larmer's assist before Bowmanville popped one in just before the end of the first.

A pair of goals in the middle frame gave Bowmanville the tie.

The Steelers again went ahead in the third when Keith Piette found the range on Blacktopp's assist. Unfortunately the Steelers could not hang on to their lead and Bowmanville tied it up in the dying minutes of regulation play.

Scotty Evans, the Steelers goalie, came up with some fantastic saves, while Brad Tiley saw double duty by filling in for Darron Baston who is on holiday, as well as playing his regular defense position.

The winner of the series will go against Cobourg.

On Saturday afternoon the Steelers put in a sensational performance under adverse circumstances; a

Bears' revenge

STOUFFVILLE — The Neil Patrick novice Polar Bears had their work cut out for them on Friday night when they came up against Cobourg. The advantage of home ice and a strongly supportive crowd helped them to revenge their previous playoff loss against the visitors with a 6-4 win.

Jason Underwood put the Bears on the board when he opened the scoring, on a play by

Bill Payne and Brad Blacktopp. A two goal reply from Cobourg had the Bears at the wrong end of a 2-1 tally, before they got into their stride and replied with a pair of markers, Drae Glover from Brandon Pridham and Clint Boland; and Dale Lewis from Jason Underwood.

The visitors tied the score five minutes into the third period; but not for long. One minute

later Glover got his second goal of the game, the assist going to Underwood.

Bill Payne slammed in the winning goal on Elliott Fraser's assist, putting the Bears ahead to stay.

Cobourg came close with one more marker, but Underwood's second goal, from Payne and Glover, put the game safely away for the Bears.

CLAREMONT — At a meeting of the Claremont Softball Association on Sunday afternoon, it was decided that for the coming season a switch would be made to slopitch for all house league teams. One of the main reasons is a dropping off of interest in Allstar registration, coupled with growing travelling costs and complaints from a number of parents that they have to spend too much time travelling.

This does not mean, however, that Allstar ball is dead. President Willard Peddie emphasized that if there were sufficient registrations Allstar ball would continue.

Provisional plans for the coming season include a Bantam (or Midget) tournament in the last week of June; a visit by a Midget team from Halifax, sometime in late August, and a fund-raising dance to be held in either the first or second week of May.

Registration fees for the season were set at: House league \$10 (family rate \$25). Allstar \$25 (no family rate). Registration dates are as follows: March 27 and April 3 from 11:00 to 1:00 p.m.; Ladies slopitch registrations will take place on March 20 and 27 from 9:00 to 12:00 p.m.; at the Community Centre.

This year's new committee is as follows: President - Willard Peddie; Vice-president - Paul Carruthers; Sec. - Treasurer - John Marks; Allstar Convenor - Frank Henny; House league convenors - Bettyanne Meredith, Jane Johnson and Gary Yoshida. Club president Willard Peddie will combine the duties of Park Convenor.

Peeewe goalie John Bellerby and the Gananouque goaltender had more than their fair share of this type of shot in their Friday night game at the arena. The puck was continually bounced off the pipes throughout. —Jim Holt
