# Auction team in action

Veteran auctioneer Norm Faulkner (centre), introduced a new generation of bid-takers to the auction action, Thursday night. His son, Phil (right) and Neil Woodbrow (left) of R.R. 1, Ashburn, are recent graduates from the Reich World-Wide College of Auctioneering in Mason City, Iowa. Both boys come by their skills honestly. Phil has 'grown up' with the business while Neil's brother, Bruce is an auctioneer at Toronto Stockyards. Both are seventeen. Jim Thomas

# Goodwood girl Injured in crash

By ELSIE BOLAND GOODWOOD  
Thirteen year old Heidi Todd, daughter of Mr. and Mrs. Stan Todd, Goodwood, is making a good recovery from injuries received in a two-car collision, March 17. She suffered a broken collarbone, concussion, cuts and bruises when thrown from the rear of Dodge Omni that collided with a Lincoln at the intersection of Hwy. 7 and Durham Road 23. Heidi landed in a nearby ditch, some distance from the crash scene. She and other members of the Joseph Gould basketball team were returning from Oshawa following competition in the regional finals. The accident occurred around 5:30 p.m. Heidi was admitted to the Dr. Joseph O. Ruddy General Hospital in

Whitby. The men of Goodwood United Church are holding a pancake breakfast, Sunday March 28 from 8:30 to 9:30 a.m. Admission is \$2 adults; \$1 for children. Proceeds will be donated to the Window Fund. This project received a real boost, last week, with a gift of money from the Sr. Youth Group. Euchre winners March 17 were Ron Harrison, Tom Seeley, Charlie Symes, Peggy Hord, Elsie Taylor and Daisy Sellers. The mystery prize was won by Gord Duck. Door prize, winners were Margaret Gall, Janice Harrison, John Kennedy, Martin Gall, Frank Jenkinson, Margaret Stewart, Lena Ogden, Mildred Thompson, Elva Symes and Dot McGuckin.

**Go for comfort and savings... with a York Heat Pump**

**YORK** Heating and Air Conditioning

**BURBAN** AIR SYSTEMS LIMITED  
MARKHAM 24 HR. SERVICE - CALL COLLECT 773-6343

**LIMITED TIME OFFER**  
Buy a York Heat Pump by April 1st and you can choose York's Protection Plus Service Plan (no repair bills for 5 years) OR a York Electronic Air Cleaner installed. No extra cost.

In winter, a York Heat Pump delivers warmth and comfort 24 hours a day. Come summer, it reverses to comfortably cool your home.

Replacing your present furnace, a York Champion Heat Pump can cut your heating costs over 50% if you now heat with oil or electricity... 25% or more\* if you're a gas user. And if you convert from oil you could qualify for a Federal Government grant of \$300.

Or add a York Maximizer Heat Pump to your present furnace and the savings will be close to those available with the Champion Heat Pump. And the government grant to oil users still applies.

The basis of York's efficiency and reliability is the solid state YorkGuard Computer Control that monitors 19 vital functions, one of them being York's Demand Defrost. Unlike other heat pumps which defrost on a timed cycle, all York Heat Pumps defrost only when required, using less energy.

\*Depending on where you live, type of home and relative fuel costs in your area.
