

Blast Goodwood

STOUFFVILLE — Oldest boys' ball team this season is the Bantam squad who, in their opener on Thursday night, gave some indication of their strength by blasting Goodwood 11-1.

Closing out Goodwood's effort was a strong pitching performance by Chris Brown, Jeff Steiner and Terry Reesor.

Brown joined with Mike Feasby and

Fourth field

STOUFFVILLE — Thanks to the generosity of McNeil Laboratories, Whitchurch Soccer Club has gotten itself another playing field. The firm, who already leases the club 10 acres for the nominal sum of \$1 a year, recently gave the club permission to expand its operation at McNeil and add another playing field, to ease pressure on the club's limited playing facilities.

The field was completed last week, just in time for this weekend's upcoming soccer parade.

Preparation of the ground was carried out by club members under the direction of past president Casey Van Maris, who also supplied the necessary equipment. A concentrated effort saw the work completed in just under three weeks.

Thanks to the generosity of Leo Assinck, the new field sports a brand new set of goal posts.

Murray Pattenden for a strong offensive play that produced a pair of runs in the second innings, four in the fourth, and five more in the sixth.

Led by second baseman Brent Lehman, the Stouffville boys blunted any effort by Goodwood to launch an offensive play.

A single by Derek Clausen gave Dan Martin Goodwood's only run.

For coach Bob Belisle it was a heartening start to the season and he professed himself "very pleased with the entire team's performance."

Next home game is tomorrow evening, Thursday, at 8:30 p.m., against Uxbridge at the main diamond.

Fun league

STOUFFVILLE — The Stouffville ladies fun softball league got off to a fine start on Thursday evening with Canadian Tire edging Ken May Realty 15 to 14 in the league opener. Unfortunately, the game took the first casualty of the season. Ruth Paisley tripped while rounding the bases and tore some leg ligaments; she will be in a cast for about six weeks.

The late night game was not quite so close. Lee Sand and Gravel slammed Montgomery MacEwan Contracting 33-22, despite MacEwan's big effort at a comeback in the seventh when they looked like getting back in the game.

Local sponsorship IRM race team

Greenbelt Motors Volkswagen of Unionville announced this past week a sponsorship agreement with Stouffville's IRM Racing Team.

The sponsored race car was tested this past weekend at Mosport Park, Bowmanville. Designated the Greenbelt Motors Hawke Mk 21, the car was developed in the IRM shop under the care of machinist Ingo Reters and chief mechanic Leo Dahl. The open-wheeled racer will be competing in the 1982 Walter Wolf Formula Ford Challenge as well as other selected events. Driving for the IRM

team is 22-year-old Ronnie Fellows of Bramalea, Ontario, who has two previous seasons of Formula car experience.

Team members reported that they were very pleased with the performance of the car on the weekend of testing. "Some competitive lap times were

established in the final session on Sunday afternoon," driver Fellows said.

The first major race for the IRM team will be June 5th at the Mosport CanAm Atlantic weekend. This will be followed by the Grand Prix du Canada in Montreal on June 12th

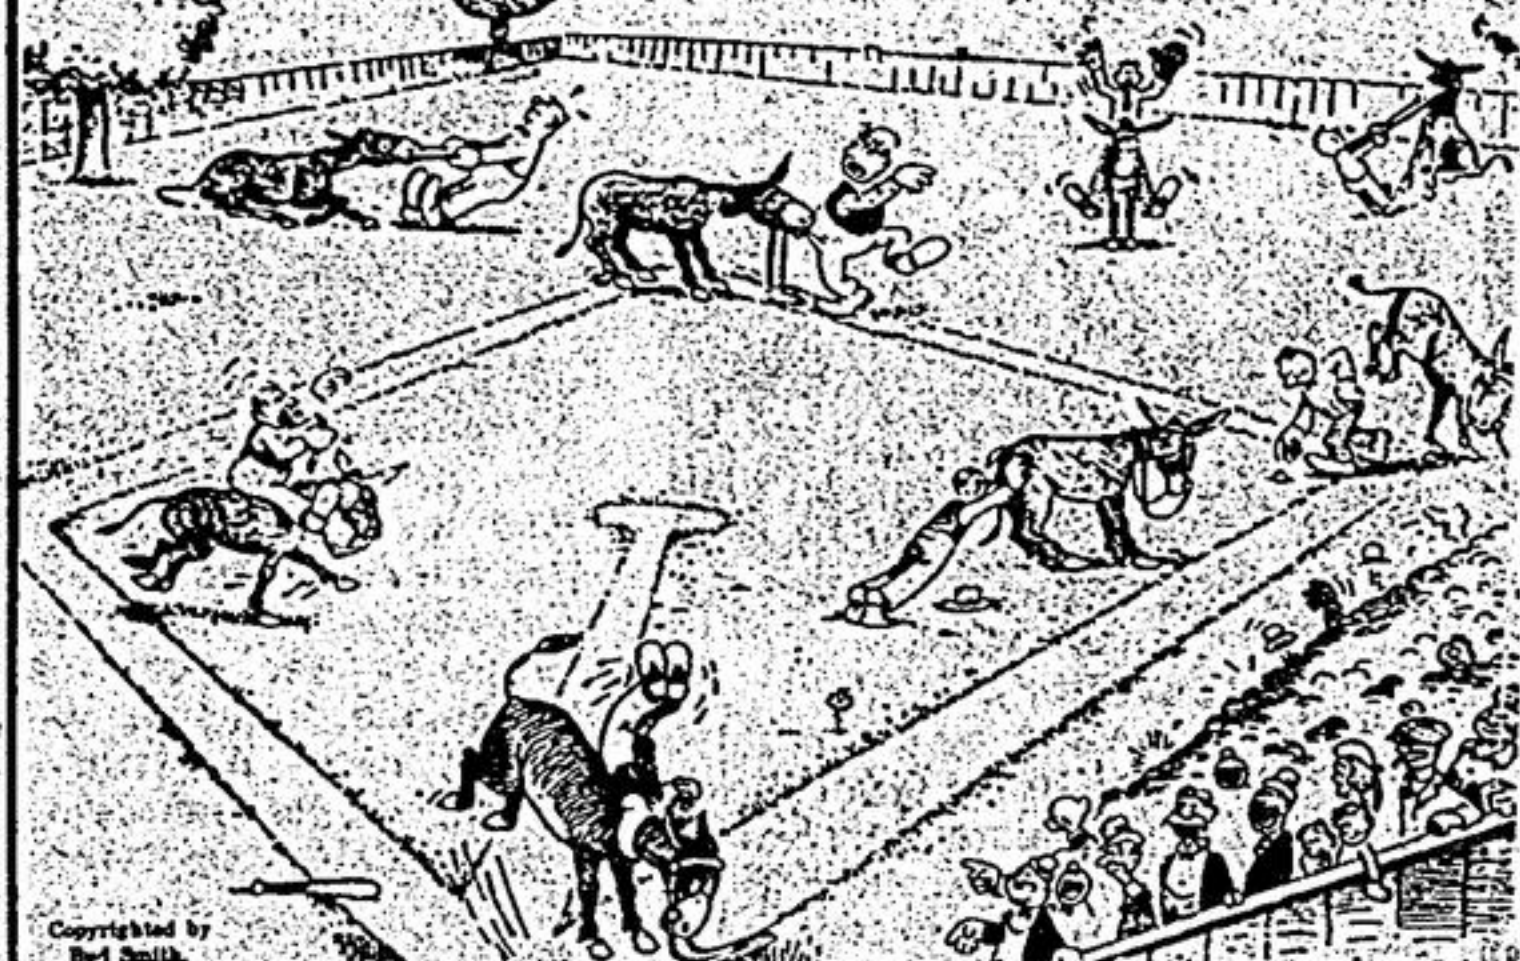

Show dates

STOUFFVILLE — June show dates for the Boots 'n' Saddle western horse club are Sunday June 6th and 20th. The venue is at Al's Tack Shop on the Vandorf side-road. Shows start

at 10:00 a.m.

Riders are reminded that the club also has classes in Open English Pleasure and English Equitation (for all ages).
