Heise Quartet Revival

By Evelyn Milsted GORMLEY — Heise Hill Brethren in Christ Church was filled to capacity, Sunday, for the 105th anniversary services. History records that before the church was built in 1877, worship was held in various homes around the community. Originally, it was called Markham Church, but the name was later changed to avoid confusion. Guest pastor, Sunday, was Dr. E.J. Swaim of Dunroon, Ont. Special music was provided by the former Heise Male Quartet including Lewis and Harold Heise, John Keesor and Melvin Henderson. At the conclusion of the worship, 200 sat down to a bounteous anniversary dinner. Congratulations to Rev. and Mrs. Wm. Vander Bent on the occasion of their 50th anniversary. An "open house" in their honor will be held Tues., June 15 from 2:30 to 8:30 p.m., at the Victoria Square Community Centre. Mr. and Mrs. Earl Empringham will celebrate their 40th wedding anniversary with an "open house", Sat., June 19 from 2 to 4 p.m., and 7 to 9 p.m., at the Victoria Square Community Centre. Wendy Wideman and Gary Shropshire, Cathy Shropshire and Dale Wideman will be honored at a double community shower in the Victoria Square Community Centre, Thurs., June 17 at 7:30 p.m. The two couples will be married in a double ceremony early in July.

a motorcycle accident last week. The annual Sunday School picnic of the Missionary Church will be held Friday (June 11) at Willow Springs Camp beginning at 8:15 p.m. The Bond of Love Ladies' Quartette from Wainfleet will provide the special music at the 11 a.m. service in Heise Hill Church, Sunday. The Missionary Church softball team will play Springvale Baptist, Thursday (June 10) at Vandorf Park. Time of the game is 8:30 p.m. More than 200 attended the special opening of the Menger Art Gallery in Gormley the last weekend in May. Mr and Mrs Wally Menger purchased the property from Mr and Mrs Ross Page, the site of the former Gormley Post Office.

The revival of the Heise Male Quartet made Sunday's 105th anniversary services at Heise Hill Brethren in Christ Church complete. Members are (left to right) Melvin Henderson, first tenor; Harold Heise, lead; John Reesor, baritone and Lewis Heise, bass. — Jim Thomas

Dramatic content

Dear Sir: As director of the Stouffville Players' recent presentation of "Leaving Home", I feel compelled to respond to the letter from Stephen Wolinski published in The Tribune's June 2 issue. It's a shame Mr Wolinski chose to focus upon language in the

play that he personally found offensive and not examine critically the dramatic content and to respond to the dramatic tension of this well-written piece. The selection of a play for presentation must rest upon its value as a piece of drama and not upon the predicted sensitivities of the audi-

ence. As in any other drama group, the work performed is not dependent upon local mores or characteristics. And hopefully, the audience responds to the play as an entity in itself and only as such. One of the aims of the Stouffville Players will be to bring to local audiences plays of different

types and genres with, I hope, an emphasis upon Canadian playwrights. David French is a well-known and successful Canadian playwright whose works have received national acclaim. Sincerely, Roger Glazin, Fairview Avenue, Stouffville.

Sympathy is expressed to Arthur Caffin in the passing of his wife Ruth at York County Hospital, Newmarket, Friday. Funeral service was held Monday afternoon at Maple Hill Baptist Church, Keswick. Art and Ruth resided in Gormley for several years. Rev. and Mrs. Marlin Ressler attended the Ontario Camp Directors' Workshop at Bark Lake. Kenny Benson suffered a bruised ankle in

Natural Resource Management ... It's Not Easy

That's why Ministry of Natural Resources staff are inviting you to Open Houses in June.

We want you to look at the pieces - your local forests, fish, wildlife, provincial parks and recreational areas, mineral resources and public lands and waters.

Later this summer we'll pull all the pieces together and present - for your comment - our district land use strategies. They are, quite simply, recommendations for how your local natural resources can be managed wisely.

But first, come and meet us, review the background information and give us your comments.
