

Change date!

An editorial in the Sept. 29 issue of The Tribune suggested that Hallowe'en should be celebrated on Sat., Oct. 30 instead of Sunday, Oct. 31. Well, we'll highjack that!

Here, at The Library, the Wacky Witch of the West and her cat, Whiskers Galore, have already planned a Hallowe'en Hoot for the afternoon of Oct. 30. There will be a movie, "Witches Night Out" at 2 p.m., followed by a Costume Parade, approximately half-an-hour later. Prizes will be awarded for: Most Original; Most Scary and Most Attractive costumes. The Wacky Witch and

her feline invite youngsters to dress up and join the afternoon's fun that will end up with an Apple Plop Contest.

Election Meeting
The advent of "trick or treat" somehow reminds us that a municipal election is coming up. Once again, The Library, as part of its local information service, is sponsoring "Election Warm-Up", a meeting that will allow all candidates to express their views and respond to questions. The meeting will be held at Stouffville Dist. Secondary School, Thurs., Oct. 27 at 8 p.m. Prior to this, election information on local candidates and

voting areas, will be on display at The Library.

Good and Bad
There's a familiar joke format that's based on the antithesis of good news and bad news: You know the type that goes: A caddy who has been tracking the drive of an erratic golfer, informs him, "There's good news and bad news. The good news is, you just made a hole-in-one on the 6th. The bad news is you're playing on the 9th". This is by way of leading up to good and bad news at The Library. The good news is that there is an Amnesty in force this week which means all fines will be excused on overdue books returned by Oct. 9. The bad news is that the charge for new or lost library cards has gone up to \$1 and the fine on each item of overdue material has increased from two cents to five cents per day.

If you think that's the ultimate in bad news, spare a thought for the young woman who has just been given a medical examination and is told by the doctor, "I've got good news for you, Mrs Jones".
"Pardon me," she corrects him, "I'm Miss Jones".
In that case," says he, "I've got bad news for you".

THIS AD COULD BE ALL THAT'S STANDING BETWEEN YOU AND A FOSTER CHILD.

On the surface, it's not difficult to have a mistaken impression about foster care. And if you never take the time to crack the surface, and find out the facts, you might very well be denying yourself and a foster child, a very rewarding experience.

Your willingness to care may be all the qualification you need to be a foster parent. Financial assistance, guidance and support are available to foster parents.

The personal rewards of sharing your love with a child or young person who really needs you are very great.

Please contact your local Children's Aid Society or Family and Children's Services, and find out more about foster care.

The children need you now, more than ever before. And maybe you need them too.
