Super Brake Special

Sale prices in effect until Saturday. Regular prices shown are Canadian Tire everyday low prices.

Save 15% on parts & labour

Now, for 1-week only, you can save 15% on all brake parts and on installation. Whether you buy your parts from our Parts Department or have them installed in our Auto Centres, you are guaranteed built-in reliability and safety along with the best price in town. We carry a complete line of top-quality parts for most popular vehicles. All Motomaster brake parts are guaranteed 20,000-km/12 months, (whichever occurs first).

SAMPLE PARTS LISTING:

- 1971-1980 full-size Chevrolet and Pontiac Riveted disc pads. 2 front wheels. Reg \$16.49 **\$14.01**
- Bonded shoes. 2 rear wheels with trade-in. Reg \$13.99 **\$11.89**
- Rebuilt caliper assembly. With trade-in. Reg \$36.95 **\$31.40**

Save 15% on other applications
...PLUS, you save 15% on expert installation!

MOTOMASTER BRAKE SERVICE GUARANTEE

If full overhaul is undertaken by Canadian Tire Auto Centre (they will reline four wheels, service or replace wheel cylinders and calipers, install new brake springs, replace or true drums/rotors) shop charges are covered for 20,000-km/12 months (whichever occurs first).
With partial overhaul (replacing brake shoes, or disc brake pads) the labour is guaranteed for 90 days.

All-season KEVLAR radial

SEASONMASTER Supreme... the only all-season tire in the world with the exceptional casing strength of DuPont 66 Nylon reinforced by KEVLAR belts. 5 times as strong as steel by weight, KEVLAR produces a lighter weight tire ensuring better gas mileage, added steering response and a velvet-smooth ride. Wider tread with deeper, more open grooves channels surface water off to all sides to virtually eliminate hydroplaning on rain-drenched roads. Computer-designed interlocking tread elements deliver exceptional traction in deep snow. **Performance rating 70,000 km.**
