

**Buttermakers complete a very successful season.**

With 44 wins and only 16 losses the team also collected just under a \$1,000 in prize money during tournament play. They were also responsible for hosting an excellent slowpitch tournament during the Canada Day celebrations. (Back row) 1 to r:

**Amateur league start season**

The 1982-83 Amateur Hockey league season started last Sunday with most of the old faces back — some in different uniforms — and a number of new ones to brighten up the Sunday morning hockey scene.

while the Betz Pool boys waited for him to turn up with their equipment. It's age Eric!

This week it was the turn of Mike Jones to remain abed, and he can't even use age as an excuse. Perhaps fire chief Walt Smith could be approached to set the fire alarm off at 6-45 am every Sunday. It may wake up the Town but at least the games will run on schedule.

This week's results are as follows:  
Canadian Tire Red

**Soccer club AGM**

The Whitchurch-Stouffville Soccer Club will hold its annual general meeting on Thursday, October 21, at 8 pm in Latcham Hall.

This is the club's most important meeting of the year, particularly for those members who wish to make changes in the administration or are not happy with club's aims

and objectives. It is an ideal time for everyone to put forward their own ideas on how the club should be structured.

Proposed amendments to the constitution must be made in writing and received by the club secretary Mrs. Louise McMullen no later than Oct. 13, '82.

The activities of the last year will be reviewed and a new board of directors will be appointed; only two of last year's board are running again so there is ample opportunity for new faces and fresh blood, particularly at boys and girls house league level. Tell us what you think and want. This night everyone listens.

**Newcomers sparkle Big win for Trojan team**

Rising like a Phoenix from the ashes, Stouffville's Trojans rugby team took to the field of play against Ajax Wanderers on October 2. The Trojans, who have been out of circulation this summer, expected to have their work cut out for them. However, fine work by the forwards saw the ball moved with authority from both scrimmage and line-outs, giving the backs plenty of opportunity to make yardage.

excellent pick-up on a loose ball, getting it out to veteran wing-forward Tony Arrigo who set the pace for the backs with flashes of his pre-injury brilliance.

Newcomers to the Trojan back line acquitted themselves well. Scott Watson and Jeff Doran proved themselves a formidable pair, giving all the thrust and strength needed to get the ball over the line.

Two more tries, by Watson and Larry Kavanagh, saw 'Big Dave' Rae and Tom Miller convert to finalize the score at 20-4 for the resurrected Trojans.

The return of Arnon Schopf to the Trojan fold was much appreciated. Along with Rae he helped dominate the scrum, producing a formidable power that has not been apparent since the team's early days.

Unfortunately, despite the team's fine performance the scrum showed weakness in loose-head prop Tom Lehman. Lehman failed to keep the ball in the tunnel, which later led to a dangerous collapsing of the scrum.

The team travel to Kitchener next weekend for an end-of-season tournament. Good luck Trojans.

**Midgets lead off with double win**

Beckers Milk Midgets started their hockey season with two impressive wins over Markham last week.

Although the starting lineup has not yet been selected for their season opener on Oct. 22 against Port Perry, coach Bill

Hutchison was impressed with the play of veteran Mike Anderson and Chris Brown as Stouffville downed Markham 4-1 in their first game at Markham.

Game 2 took place at the Arena on Friday evening, with Mar-

kham again going down, this time 5-1. Mike Feasby, from last year's Ontario bantam championship team, lead the scoring with 2 goals and an assist.

Next home exhibition game is at 9 pm this Friday at the Arena.
