

Coach of the week

With three sons to contend with - all play in house league teams - it's no wonder that Kevin Lewis finds himself involved in coaching hockey. The pleasant mannered New Zealander has lived on Thicketwood Blvd for the last five years and is into his second year of coaching; this year it's the Apache Van Lines Peewee team

Kevin is a keen rugby enthusiast - what New Zealanders aren't - and has coached the Town rugby team, The Trojans, for the last few years; helping them out on occasions when short-handed by playing fullback, despite the fact that he continually insists that he is "over the hill," watching him on-field would agree with him.

Winter months are hectic for Kevin. What with 12 yr old Shay playing defence and 11 yr old Sean at centre for the Peewee Selects, along with 9 yr old Dale on an atom house league team,

Kevin Lewis

the house can become what he calls "rather untidy."

When asked why he took on the additional burden of coaching when his house is already bursting with players, he looked thoughtful and replied, "You know, when I see how

much fun my kids get with hockey I just feel I should be helping out somewhere along the line."

With coaches like Kevin Lewis around, is it any wonder the kids can't wait for Saturday morning to arrive.

Amateur league

with singles and Tonio Trentadue with a pair. Assists went to Kirk Smythe (3), Tonio Trentadue, Darron Baston, Mike Ferguson, Dan Larmer and Sven Henze.

The team travelled to Cobourg for tournament play on Saturday, advancing to the championship final after disposing of Lindsay 6-2 in their first game. The Clippers spotted Lindsay two goals before getting into gear and dominating the second and third frames.

Cobourg dropped the Clippers 2-0, despite the Clippers two-man advantage at one point. Apologies to Mike Ferguson for omitting his name as winner of the MVP trophy at the Huntsville tourney two weeks ago.

Steve Sheffield of Cedar Valley came third in the 1982 Labbatts Ontario senior judo championships, held at Centennial College on Saturday. The under 65 kilo event, which attracted strong competition from all over the USA and Canada, was the division in which Steve put in his medal winning performance.

Steve's sister, Karen, also very well known in ladies judo circles, left for Paris, yesterday, to take part in the women's world judo championships. She will compete in the 54 kilo class.

Royal Winter Fair jumper champion

It was this kind of performance that earned 18 yr old Harold Chopping of R.R. 3 Newmarket, two firsts and a third place in the junior jumper class at this year's Royal Winter Fair; enough to claim the junior jumper championship. Harold's horse, Jackie Blue, is an 11 year old

grey gelding of 17 hands. Both train under the watchful eye of John Weir of Joker's Hill Stables. Harold has been showing in recognised events since he was eleven, and rode with the Canadian junior jumping team in Cuba and Mexico in 1981.

Winning streak

The Sound of Music atom Clippers extended their winning streak to four consecutive wins when they handed Port Perry a 4-1 loss on Monday Nov. 22.

Port Perry saw their opening tally matched by Jason Underwood's goal, from Billy Payne, before the end of the first.

Both teams practiced tight checking in the middle frame, resulting in a scoreless period. With five minutes left to play, Jamie Campbell took the perfect pass from Giles Francis, depositing the puck in the top corner of the net. Two minutes later it was Lee Scaife, from Underwood, who got the insurance tally. Campbell got his

second tally on Francis' assist to round out the score.

Tournament play in Bradford saw the Clippers go unbeaten, but they unfortunately missed a final playoff spot by one point.

Coming from behind on Friday night, they outshot and outplayed Barrie for a 2-2 tie in a game that should have been a win for the home squad. Goals came from Jeremy Hall and Drae Glover, with Glover being voted MVP.

Saturday afternoon saw them whip Aurora in a scoring spree that ended with a 9-0 shut-out. Jamie Campbell gorged himself with five points; three goals and two assists. Lee Scaife added four

points to his rising season's tally with a goal and three assists. Two-goal marksmen were the ever reliable Underwood and Glover, while Francis also joined in with a goal and two assists. Keith Piette tallied three assists, while Jamie Campbell picked up the MVP award and received a hat for his three goals.

On Sunday afternoon the Clippers outplayed their Bradford opposition but had to be content with a 2-2 tie. Goals came from Piette and Underwood, with Billy Payne collecting the MVP. Danny Wilson was undoubtedly at his best in the Clipper net with an outstanding performance.

Oldtimers down Uxbridge Hawks

In Thursday night's Oldtimers tournament, held at Uxbridge arena, Stouffville's Clipper Oldtimers squad upheld their unbeaten record in tournament play by downing the Uxbridge Black Hawks 4-3.

Blitz tactics by the Blackhawks netted them two quick goals in the first five minutes of play, with no reply from the Lake Cup holders. However, despite a bench shortage - the Clippers had no less

than seven players missing - they managed to get their act together in the first half of the second period with a goal by Joe Infurnari before the persistent Black Hawks made it 3-1. Ron Collins closed out the frame with a Clipper goal, but it was obvious that this was not going to be a walkover for the recently crowned champs.

As if to remind everyone that they had just returned from the

Great Lakes tournament with an unbeaten record, and a championship title to boot, the Clippers took command of the game in the third and savaged the Blackhawks with a pair of fine goals; Infurnari got his second and Grant Larmer fired the winner.

The final score reflected that it was by no means the Stouffville side's best game this season. But then, even a champion can have an offday; and win.

Midget profiles

Midget profile of the Beckers' Milk hockey team for this week is the team's goalie, Joe Risk. Admired by many fans, players as well, for his lion-hearted approach to netminding, Joe's finest performance was with the All Ontario championship winning Bantam team, last year, when he kept the Bantams in the playoff series with an exhibition of netminding that had even the finalist Strathroy fans praise his fantastic performance.

With six years of hockey behind him, Joe started off late compared to many kids, he started in house league, playing for Stouffville Co-op, Delicatessen and Conlin Motors during his first three years, going on to Peewee and Bantam allstar teams later.

A grade 10 student at Stouffville high school, Joe also plays basketball and baseball.
