United effort

Dear Mr. Thomas: On behalf of all the volunteers for United Way of York Region and those who serve with the 23 participating human care services, I thank you for your support throughout our 1982 campaign. The messages on the needs of the agencies, the stories on case histories, and the progress of our drive have been fairly and fully presented. While our campaign has failed to achieve its objective of \$688,000, it has gener-

ated an increase of 18% or \$90,000 new dollars to be shared in by our United Way agencies. This rate of growth appears to be the best in Ontario in this a most difficult year, and for your part in this achievement I am most grateful. Other volunteer community services are already seeking participation in next year's United Way campaign. This federated fund raising program will be even more important and at the same time, it will reduce the number of competing fund raising drives in the Region. Thanks to you, United Way works for all of us.

Sincerely,
Donald H. Cockburn,
General Campaign Chairman.

"See what I made!"

There was activity galore at Latham Hall, Friday, when the Town Parks and Recreation Board held its first Santa's Workshop. One of the participants in the event was eight-year-old Tara Grove of Burkholder Street, Stouffville. More than 100 children attended.

—Jim Thomas.

No hemlock

STOUFFVILLE — There'll be Alderwoods and Aspens; Barbary(s) and Hazelnuts in the new Dulverton Subdivision, but no Hemlock. It's not that Council's being extra cautious in matters of ecology and tipping possible poisons in the bud. It's just that a street in Markham also carries the name Hemlock—

Hemlock Drive, the same as was proposed in Dulverton. "How about Van Kamps' Drive?" asked Councillor Charles Warden, with obvious reference to immortalizing the memory of Councillor Bill Kamps. There was no response so members decided to leave the choice to the developer.
