

Graduate

Mrs. Lillian Ling, R.R. 3, Stouffville, was a recent graduate from the Secretarial Course at Shaw College, Toronto. The ceremony was held Nov. 13 at the Inn on the Park. Guest speaker was The Hon. Bette Stephenson, Provincial Minister of Education. Donald R. Shaw, Faculty President, made the diploma presentations, assisted by members of staff.

Who's running Town?

Dear Jim:
As one who has lived and done business in the Stouffville area all my life, I have listened to, with considerable interest, the controversy concerning who actually runs our Town.

Some people say it's the local Council. Others believe it's the Provincial Government. Then there are a few, naive enough to think the residents have some say in what goes on in our community.

Now that the word's out on who REALLY is in charge, I feel it's time to give those leaders some recognition, like in the form of a sign at Stouffville's entrance that reads: "WELCOME TO STOUFFVILLE---HOME OF YORK SANITATION".

Sincerely,
Bill Lehman,
Ninth Line North,
R.R. 2, Stouffville.

Youth Club

STOUFFVILLE — The newly-organized Youth Club will not be restricted to young people attending elementary schools in Stouffville, but will be expanded in 1983 to include students from Dickson's Hill, Ballantyne and Whitchurch-Highlands. Daphne Goldman of the Town Recreation Board told The Tribune this week.

She described the dance Friday at Orchard Park as a "walk-to-activity". For this reason, only pupils of St. Mark's, Summitview and Orchard Park were considered. A general meeting of all interested parents is planned for January, at which time other activities will be discussed and an executive will be elected. Mrs. Goldman said.

To date, more than sixty paid-up memberships have been received, the majority from Orchard Park. She's hopeful students (and parents of students) from Summitview and St. Mark's will also respond. So far, about fifty mothers and fathers have indicated a willingness to help. Mrs. Goldman stated. All three principals have been very supportive, she said.
