

Sixteen year old Christine Watters, Ninth Line South, Markham, is a Grade 11 student at Stouffville High. Following graduation, she hopes to enrol in a radiology course at Seneca College. —Jim Thomas.

Country girl

By Jim Thomas
STOUFFVILLE
When Bruce and Mary Watters made the decision, eight years ago, to leave the city (Mississauga) and return to the country (Ninth Line South, Markham), they did their family a big favor. At least that's how daughter Christine feels about "the wide open spaces". She has no desire to return to suburbia.

place for pets, like two dogs and a cat. For awhile, she also had a horse.
Chris is our "Girl Next Door".
Chris smiles at the thought of being bored just because facilities aren't close at hand. "There's lots to do if you really want to do it," she says, noting that Stouffville is only two miles away.
She also appreciates the smaller school, claiming SDSS is a lot more personal than one of several thousand. She's a student in Grade 11.
As to a future

career, Chris is considering a course in radiology. Following graduation, she may enrol at Seneca College. Biology and Math are favorite subjects.
Chris appreciates the close friendships she's made at Stouffville High. These people are important to her.
Although she hasn't travelled too far afield, some day she hopes to visit Holland.
Others in her family include a sister, Sharon, 14 and a brother, David, eleven.

Who says an annuity has to have a fixed premium?

Ask your Sun Life agent to explain the features of the new Flexible Premium Retirement Annuity such as adjustable premiums, interest and annuity rate guarantees, waiver of premium upon disability, and current tax deductions into the bargain.
