**Pot luck is quite special**

BY ADA ALLEN

In Webster's dictionary the words pot luck are defined as "whatever the family meal happens to be" — you are welcome to stay and take your chances — could be leftovers.

All residents are invited and those attending are asked to provide a casserole, salad, dessert or whatever your heart desires. There is always a terrific variety and the desserts would send dieters in a whirl. Pretty fantastic cooks at Thomson Court.

The hostesses for January were Adele Hayne, Gertrude McKenzie, Gladys Cleverdon and Evelyn Beno, our coffee expert. Marie Donaghue is the social convener.

One of the highlights of the evening was the Silver Jubilee Club Kitchen Band from Stouffville arranged by our entertainment convener Eloise Haines, for our listening pleasure.

It was a delightful group, the ladies wearing gingham dresses and both men and women wearing "boaters." You would have to be a senior to remember those straw hats which were always blowing away.

This group is so unusual and talented they are appearing on Channel 11 at 5:30 p.m., Sunday, Feb. 6 under a program name "New Faces."

It's really great being a senior — doing your own thing, making your own decisions and to be free as a bird. You'll see.

**Chairman named**

Two members of the York Regional Police Commission were re-elected to their previous positions on the board in an unanimous vote last week.

County court judge Donald Shearer resumed his position as chairman and Mrs. Gladys Rolling returned as the vice-chairman.

Judge Shearer, who was appointed to the board last year, has just finished serving one term. Mrs. Rolling, a veteran board member, has served both as chairman and vice-chairman.
