

Town youth Fraud charges

STOUFFVILLE — A 19-year-old Whitechurch-Stouffville youth was scheduled to appear in court Feb. 14, charged with fraud over \$200; fraud under \$200, false pretenses and uttering a forged document, following incidents at Canadian Tire Stores in Stouffville and Markham.

According to police, a forged cheque in the amount of \$300 was uttered at the Stouffville store, Dec. 1. Later, it is alleged goods were purchased from the store in Markham using an N.S.F. cheque. The items were then returned and the company paid a refund of \$117.56.

Last week, York Regional Police arrested Joseph Kenneth Prentice, R.R. 2, Stouffville and charged him with the above offences.

Dangerous Driving
A 17-year-old Stouffville area youth faces charges of criminal negligence and dangerous driving following what police describe as a "wild chase" on Main Street during the early hours of Sunday morning.

Officers observed a vehicle being driven in an erratic manner around 12:15 a.m., and attempted to stop it.

However, the motorist continued, on, forcing several cruisers off the road. At the intersection of Hwys. 47 and 48, the car

Art show -and sale

STOUFFVILLE — Cebachrome photographs by Bill Lindsay of Thunder Bay, are now being featured in an exhibition at Latham Gallery.

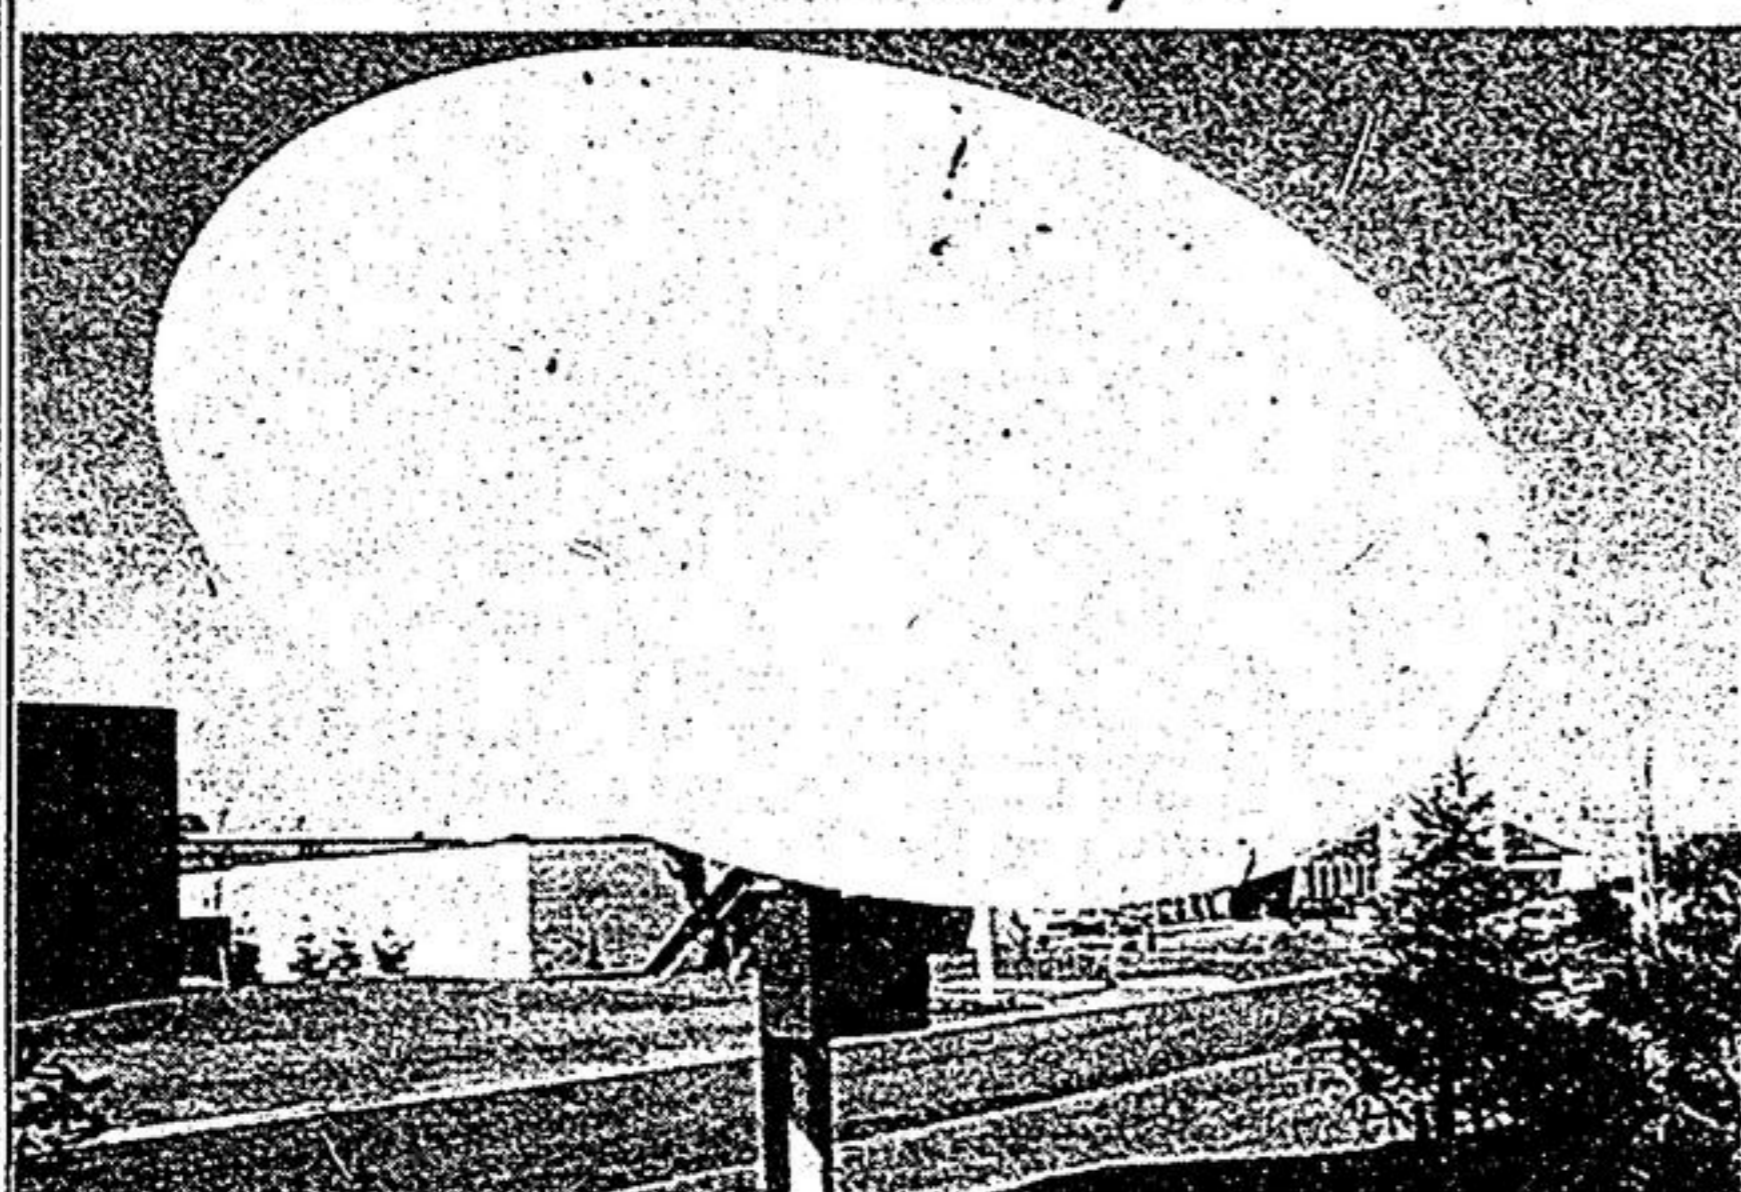

The display, continuing until March 5, shows a wide range of the 32-year-old photographer's skills with the camera, as he captures the outdoors, both as it is to the casual eye, and as nature has caught it in those private, close-up moments.

As a result, there's a wonderful blend of the realistic and abstract, with highly-vivid colors throughout.

Lindsay's pictures are also on sale, priced from \$175 to \$200 with frames \$30 extra.
