Norah Stoner

It's still "no" to Airport

BY NORAH STONER
Regional Councillor
Pickering-Ward 3

The future of the Liverpool-Hwy. 401 interchange, is of prime concern to Town residents and members of Council.

The Regional Works Committee has supported Pickering in asking that the interchange bridge be widened. James Snow, the Provincial Minister of Transportation and Communications, had indicated, in a recent letter, that it was his intention to barricade the Liverpool ramps as soon as the White's Road-Hwy. 401 interchange opened.

I moved an amendment that was supported at the Regional Council level, asking that the ramps remain open. The Liverpool Road interchange is an integral part of our Town Centre Plan.

GUEST SPEAKER

On Jan. 18, The Hon. James Snow was the keynote speaker at a U.D.I. dinner in Oshawa. During his address, he discussed the extension of the GO-Train system to the east in the next five years. The Minister stated clearly that GO-Train stations are generally located at Hwy. 401 interchanges. In my view, this is one more reason for maintaining the interchange.

Mr. Snow also stated that it was his department's intention to extend the collector system east from the Markham Road interchange to the Brock Road interchange in approximately ten years' time. It is only at that time that a physical difficulty for the interchange would be encountered. The land available for the widening, will be further limited by the fact that the easterly GO line will be situated where the north parking lot is now.

"NO" TO AIRPORT

The Minister dealt with two other transportation items that directly affect Pickering. He restated his strong opposition to an airport at Pickering as being totally unnecessary and expressed the hope that we would not be saddled with a white elephant such as the Mirabel Airport outside Montreal. The two-airport system has proved itself unworkable around the world. Unfortunately, the Minister does not see his way clear to request the Federal Government to return to the private sector, the 18,000 acres it expropriated for the now defunct airport.

ROUTE OF HWY. 407

The alignment of Hwy. 407 through Pickering has been a matter of speculation for

the past ten years. The Minister indicated that 407 in our area is not planned before the year 2001. The Minister did, however, have one sketch which showed 407 extending parallel to the south side of Hwy. 7, from Markham to west of Brougham. The road would then swing south to just north of the 4th concession at which point it runs east to Hwy. 12.

LIVERPOOL HOUSE

The restoration and reconstruction of Liverpool House is now substantially completed with the opening of the Room Downstairs. In this warm living-room atmosphere, Jeri Adams, the local pianist-singer, is adding to the relaxing atmosphere. Her music is a mixture of the forties and fifties through to the eighties and her singing is a cross between Helen Reddy and Sarah Vaughan. Plan to spend a cold winter evening in the comfort of the Room Downstairs. Council recently approved the expansion of the parking lot at the rear of Old Liverpool House. It's easy to see why it's needed.

Orchestra "in tune"

YORK REGION - The York Regional Police Department has formed its own orchestra—a group of musicians that have become so popular, the Commission will sponsor them to the "tune" of \$1,000.

The band's called "The Electric Police Orchestra". It has performed at various functions throughout the area. Several letters of appreciation have been received from most committees.

Chief Bruce Crawford feels the participants are deserving of support due to the excellent public relations work they do. He pointed out too, that requests are coming in for the group to play at various fundraising events in communities across the Region, also for students in elementary and secondary schools.

The \$1,000 grant will cover insurance on band instruments; plus uniforms consisting of blue blazers, grey trousers, shirts and ties.

NOTICE OF PRE-HEARING OPEN HOUSE
Toronto Removal Service Inc.
Waste Disposal Site (processing)
(Town of Markham)

will be held February 23, 1983 from 7-9 p.m. at Toronto Removal Service Inc., 234 Hood Road, Markham, in connection to the public meeting which will be held on February 28, 1983. Inquiries invited 9 a.m. - 5 p.m. daily 474-1564

Environmental Assessment Board
IN THE MATTER OF Section 33 (1) of The Environmental Protection Act (R.S.O. 1980, c.141)
-and-
IN THE MATTER OF an application by Toronto Removal Service Inc. for a Certificate of Approval for a new waste disposal site (processing) to be located at 234 Hood Road, in the Town of Markham

NOTICE OF PUBLIC HEARING
Toronto Removal Service Inc.
WASTE DISPOSAL SITE (PROCESSING)
(Town of Markham)

TAKE NOTICE THAT the Environmental Assessment Board has appointed MONDAY, the 28TH day of FEBRUARY, 1982, at 10:30 o'clock in the forenoon, for a public hearing to be held at the

Town Hall,
Town of Markham,
8911 Woodbine Avenue,
MARKHAM, Ontario.

The purpose of this hearing is to obtain information and to hear the views of the public, so that the Board can make recommendations to the Ministry of the Environment with respect to the proposed undertaking. Written and oral submissions may be made to the Board at the hearing. The Board will not consider any submission regarding the proposal after the hearing has been closed. Plans of the proposed project will be available for examination and inspection during normal business hours in the office of the Clerk of the Town of Markham, 8911 Woodbine Avenue, Markham, Ontario; in the office of the Environmental Approvals and Project Engineering Branch of the Ministry of the Environment, 5th Floor, 40 St. Clair Avenue West, Toronto, Ontario, and in the office of the Environmental Assessment Board, 5th Floor, 1 St. Clair Avenue West, Toronto, Ontario.

EXPLANATORY NOTE
Toronto Removal Service Inc. has applied for a Certificate of Approval for a new waste disposal site (processing) to be located in Unit 3, Building "A", 234 Hood Road, in the Town of Markham. The waste disposal site to consist of receiving, refrigerated storage and incineration facilities for pathological waste. No liquid industrial waste or hazardous waste, other than pathological waste, will be received at the site. The site will have two main areas—the office area and the processing area. The processing area would consist of a wash-up area, incinerator area, washrooms and refrigerated storage. The ashes from the incinerator are intended to be disposed of at the Brock West landfill site.

DATED at TORONTO this 3RD day of FEBRUARY, 1983.
M.J. Cathcart
Board Secretary.

TOWN OF MARKHAM CORPORATION
The Town of Markham
PUBLIC NOTICE

Notice is hereby given that the Trustees of St. Philip's Cemetery have made an application to the Ministry of Consumer and Commercial Relations to enlarge the existing site (part of lot 17, Concession 5) from 1.6322 acres to 1.7262 acres (being Part 1 on a Plan of Survey of St. Philip's Cemetery). This Plan of Survey may be viewed in the office of the Town Clerk, 8911 Woodbine Avenue, Markham.

Anyone opposing the enlargement of the Cemetery should file their opposition with the Town Clerk of the Town of Markham on or before March 22nd, 1983.
