WHITCHURCH — Fifteen-year-old Kelly Cowan, Bethesda Road, R.R. 3, Stouffville, isn't absolutely certain what career she'll follow after graduation from Stouffville High. If she has as many interests in Grade 13 as she has in Grade 10, she'll have difficulty making up her mind. For this sparkling teenager with the friendly smile, is involved in just about everything.

She's our "Girl Next Door". Formerly of Unionville, Kelly, her parents and two brothers, Guy, 12 and Jason, eight, moved to their country home about two years ago. She received her elementary education at Parkview and Wm. Burcy Schools.

Kelly's involvement at S.D.S.S. includes Home Room Rep on the Students' Council; the Variety Show; the Drama Club and the Junior Band. In sports, volleyball is No. 1 but she also enjoys basketball, track and field and cross-country.

Next winter, she hopes to add curling to this list.

Kelly belongs to the Whitchurch-Stouffville Youth Group and the congregation of Stouffville United Church. She's advanced to Grade 6 in piano.

Art is a favorite subjects and staff teacher John Roberts is a favorite teacher. She describes him as "really good". She has many other commendable things to say about Stouffville High and the friends she's made there.

Travel-wise, Kelly's been to Florida six times and as far West as British Columbia. She has two dream vacations in mind—China and France with maybe a side trip to Switzerland where she can enjoy some downhill skiing.

Dance up storm

STOUFFVILLE — Dancing and skiing are seldom compatible but, for fifty March "break" students, en route to Quebec City on a skiing holiday, it was convenient to be skilled at both.

When their bus broke down, that's what they did—dance.

In addition to the outdoor exercise, it was a good way to keep warm, Cheryl Martin of Ballantyne told The Tribune.

However, there was plenty of skiing also, Cheryl said, not when they arrived but a few hours later. It snowed most of the night, making for excellent downhill conditions.

As for bus breakdowns, the major delay occurred a half-hour out of Quebec City and it was seven hours before it was back in service.

"No, we didn't dance for seven hours," said Cheryl. A nearby plaza also helped pass the time.

Although no one in the group suffered serious injury, a few unceremonious tumbles took place, including one by Jan King that had him limping the next day.

Food was never a problem, thanks to the foresight of a whole suitcase-full of goodies and cooked a portion of it each day in their room.
