Direct Dish Systems LET DDS BRING YOU THE ULTIMATE IN SATELLITE TELEVISION RECEPTION. DDS offers only top of the line TVRO equipment for both commercial and residential applications. Each of the vital components in our system has been field proven for years and will provide you with crystal clear television viewing - regardless of 2° satellite spacing in the near future. When the cheaper, smaller, low-quality dishes so readily available today become obsolete in the years to come - when TVRO requirements become even more demanding - the DDS system will continue to outperform the rest.

Direct Dish Systems Specializing in home, commercial and SMATV systems. Telephone 690-0831
