All leather needs can be satisfied at Markville

If leather is your fashion trademark Markville Shopping Centre is the place. Visit Kipskins then Boutique Chantelle and Sacs for accessories and travel needs. Quality conscious men will want to maintain their superbly styled wardrobes with regular trips to Big Steel Man, Jack Fraser, L'Uomo, and Tip Top Tailors or choose from the latest in quality

accessories and haberdashery from Gentlemen's Court. For the young at heart of either sex there is Dapper Dan, Jean Machine, Thrifty's, Stitches, and Panterama. The perfect accompaniment for these styles can be found at T-Shirt Gallery. If do-it-yourself is your thing high fashion couturier fabrics at affordable prices are available at Lizanne's and the softest

wool in a kaleidoscope of colors at Phildar. Markville is a must for shoppers looking for fine shoes. Calderone, Twinkle Toes, Chez Elie, Sultana's and Varese Shoe have high-style shoes and of course, so do Duet, Lewis and Aggies. The list is endless. Many shoppers look to Agnew Surpass, Bata and Maher to solve their family footwear

needs and Naturalizer Shoe, Sport 'N Shoes, and Athlete's World prove again and again that comfort and style can go together. Most of these shoe stores have quality shoes for youngsters, and children have their own Kiddie Kobbler with shoes just for them. Belinda and Bros. have a wide range of fashionable shoes for the whole family. Be sure to accent

new ensembles with fine fashion jewelry from Birks, O.B. Allen and Ciro's or if you are looking for the gift that will last forever for that very special person; a visit to Karats, Morse, People's and Yongeye is a must. Women may want to flaunt their femininity with lingerie from Lillianne Lingerie and a captivating fragrance and cosmetics from Caryl Baker Visage and Shopper's Drug

Mart. While in the mood these same shoppers may pamper, polish and buff at Veranese Coiffures or Total Image hair dressing salons. Gentlemen will find they are always welcome at Vincent's Barber Shop for professional hair grooming. Kid's World and Fashion Town, with fanciful clothes are designed to delight all young people, and Baby's Room and Healthtex are

just made for proud grandparents. (And grandma; the most exquisite toys and creative hobbies are on view just for you at Merryland Toys and Friendship Gifts.) Collegiate Sports will round-off

most family shopping trips. But, high fashion at affordable prices is not all Markville has to offer. Lovely collectibles and the most appreciated gifts are astutely priced

and elegantly displayed at Aurora Collectables, The China Panda, Ko's, and The Candle Shop. These shops have just the right item for that hard-to-buy-for person on your gift list.
