TRAFALGAR CASTLE SCHOOL

(Founded 1874)

WHERE EACH GIRL IS AN INDIVIDUAL

For more than a century our school (formerly Ontario Ladies' College) has been offering traditional education which has striven to combine a friendly atmosphere with intellectual vigour. Because our enrolment is limited (170) and our classes smaller, we are able to address directly the individual needs of each student. Whether a perennial plodder or an honest plodder, each girl receives the necessary encouragement to test herself against the very best she has to offer. Not all girls succeed at Trafalgar Castle—that would be a miracle. Nevertheless, the great majority of our students win through to emerge as finely educated young women equipped to face the challenge of university, career and life.

Grades 7-13

Applications now being accepted for September, 1983. For information write:
