Long distance for pizza

WHITCHURCH — Bell Canada may not know it, but it's making pizza very expensive.

At least in one area of Town. Ward 1 Councillor, Margot Marshall of Cedar Valley, brought the matter to light during a discussion of a letter from Aurora Mayor, Dick Illingworth, at a recent meeting of council. The mayor asked for council's backing of his request to Bell for extended telephone service in Aurora.

"Why does he need the endorsement of Whitchurch-Stouffville citizens?" asked Councillor Tom Wood.

Said Councillor Marshall: "You don't know. You live in Ballantrae; you should see my long distance bills."

Mayor Eldred King said he was concerned about the matter, but thought Aurora residents would pay less by paying long-distance costs.

"It's long distance to order pizza from a location on the Aurora Sideroad," answered Councillor Marshall.

Despite her epicurean concerns, council moved not to support.

WHEN THEY LOSE TIME, PEOPLE LOSE LIVES.

In an emergency, time is a precious commodity and every second counts.

So when you hear the siren or see the flashing light of a fire truck, ambulance or police car, remember that lives may be at stake and obey the following regulations:

- ◇ Always bring your vehicle to a stop as close as possible to the side of the road and clear of any intersection.
- ◇ Do not follow a responding fire department vehicle within 150 metres (500 feet).

THE TIME THEY SAVE MAY SAVE LIVES.
