**Late Kathleen Haslam
Wide circle
of friends**

STOUFFVILLE — Service was held from the O'Neill Funeral Chapel, Tuesday, for Kathleen Haslam, following her passing, May 15 in Scarborough Centenary Hospital. She was 68.

Kathleen or Kay as she was known to a wide circle of friends, came to Stouffville from Claremont, accepting an office position with the legal firm of McCullough and Button, then located on the north

side of Main Street in what is now a part of Card's Hardware. She remained there 28 years through three family generations. On her retirement, (end of December, 1980), she was honored at a reception at the Deer Park Inn.

Mrs Haslam was a friendly, pleasant person who enjoyed meeting people, both on the street and in her home. Visitors from across the sea or across the

street were always made welcome.

She was a member of the Stouffville Women's Institute and Stouffville United Church.

Despite the fact Stouffville was "home", she never lost touch with those she'd come to know in Claremont. She retained fond memories of her growing up years spent in that community.

Fun at Christian School fair

The Stouffville Christian School hosted a very successful "fair", Saturday, with hundreds of patrons, young and old. Two of the participants, sport-

ing painted faces and clown suits are Shelly Wideman (left) and Jeni Montgomery.
