All Purpose 'Multi Bench'

The all purpose multi-bench has been carefully designed to suit your construction and project needs and is pressure treated for outside use. We have left the natural finish, however, you can stain the multi-bench as you desire. The top has been laminated with a water resistant catalyst glue which will not deteriorate when left outside in adverse conditions. The multi-bench can easily be disassembled for storage.

\$89.95 ea.

More-for-less fencing Products

Let CADILLAC tend to all your

FENCING needs
