# Around Town

**BETTER SAFE THAN SORRY**  
Fire department volunteer Ken Roberts doesn't "fool around" when he hears anything that sounds like the siren; at least he didn't last Thursday. Ken had just returned from work and was about to pull into his drive when he caught the sound of the signal. With lights flashing, he sped to the hall, only to discover all was calm and quiet at the station. What he thought was the siren was only the noise of a hydraulic suction pump cleaning out the catch basins at the corner of Main and Edward Streets.

**"THE CHILDREN'S HOUSE"**  
The Children's House Nursery School is holding an "open house" Tues., May 31 from 2 to 4 and 7 to 9 p.m. The new location is 235 Main Street East, Stouffville. Sue McCammon and Chris Suzuki will be offering two and three-day programs beginning in September.

**RENEWS ACQUAINTANCES**  
Tribune editor Jim Thomas was pleased to receive a visit, last week, from Russell Kirby, formerly of Lemonville and now living in Toronto. Mr Kirby, 63, is a brother of Ken Kirby, Conc. 7, Whitechurch-Stouffville. He recalled many familiar names in the community including Everton Smith, his teacher when he attended school at Ringwood. He's promised to put some of his memories down on paper and send them to The Tribune for publication.

**MELVILLE ANNIVERSARY**  
The congregation of Melville United Church will celebrate their 138th anniversary with a special service, Sunday, June 5 at 11:15 a.m. Rev. Gordon C. Hunter will bring the message with music by the Melville Choir and other guest participants. Lunch will be served at the conclusion of the worship.

**DECORATION DAY**  
Rev. Philip Poole of Christ Church (Anglican), Stouffville, will bring the message at the Pcaach's Memorial and Decoration Service, Sunday, June 12. Special music for the occasion will be provided by the Lorne Wideman Quartet.

**CHAMPION DOG SHOW**  
The Aurora and District Kennel Club is holding its annual All-Breed Dog Show, Sat., May 28 and Sunday, May 29 at the Thornhill Community Centre, Bayview Avenue and John Street. For additional information call Mary-Lou Griffin at 773-3351.

He is also a participant in Dartmouth's Foreign Study Program, enrolled in French language and culture.

**ITALIAN PASTA DINNER**  
St. Mark's Church is holding an Italian Pasta Dinner, Fri., June 10 at the Stouffville Legion Hall from 5:30 to 6:30 p.m. Tickets are being sold in advance at \$5.00 adult and \$2.50 children.

**FORMER STUDENT HERE**  
The sudden death is reported of Mrs. Wm. Inrig, the former Dianne Corbett of Stouffville, on Monday, May 16 at Willowdale. Dianne will be remembered by former High School friends here. Surviving besides her husband, is her mother, Edith Corbett of Wyoming and two brothers, Bob of Wyoming and Wayne in Sarnia.

Guest pastor

Sunday, May 29, marks a milestone in the 104-year history of Christ Church Anglican, Stouffville. For the first time, the parish will be financially independent. The last of a loan, obtained three years ago when Christ Church became a single-point charge, will be repaid. In attendance to celebrate the occasion will be The Most Reverend Lewis Samuel Garnsworthy, B.A., D.D., Archbishop of Toronto. Worship time is 10 a.m., with a luncheon to follow.

**LOVINGLY REMEMBERED**  
Mrs. Robert Haslam, the former Kathleen Beelby, passed away May 15 in Scarborough Centenary Hospital. Surviving besides her husband is a sister-in-law, May Beelby, Albert Street South, Stouffville and several nieces and nephews.

**TO HONOR NEWLYWEDS**

**DOWN ON THE FARM**  
Pat Byer, head of the Mother Goose Nursery School, Tenth Line South, accompanied her pupils to the farm of Bruce and Alex Davidson, Ninth Line South, Wednesday. The boys and girls enjoyed roasting marshmallows and a wagon ride to the bush where they saw thousands of trilliums in bloom.

**PLN COMPUTER COURSE**  
Computer courses will be conducted at the Town Library during July and August if the program generates sufficient response. Instruction will be provided in word processing, business, mathematics and computer science. It's open to anyone ten years old and over. Interested persons are asked to call the Library at 640-2395.

# Markham Mill

## Condominiums

You will soon be able to choose the free and easy lifestyle of living in a beautiful condominium in Markham. Family and friends will be able to visit you with ease at Markham Mill, as you would be living only a few hundred yards southwest of Highways #7 and #48.

Our suites are large. All have two bedrooms, den, solarium, outside terrace and suite security systems. Some of the suites will offer visiting family or friends ultimate privacy and convenience, as bedrooms, each with private bath, are located on either side of the suite. Solid oak baseboards and door trim, wood paneled interior doors and kitchens with natural light and terrific views, have been carefully designed with your needs in mind.

The seventy acres of Milne Lake, and over a mile and a quarter of the Milne Park conservation area, will forever rest your eyes and relax you at day's end. Our location overlooks the lake from a wooded highland on the north side of the Rouge River. Surrounded by mature trees and giant sweet smelling cedars, the unspoiled beauty of our

location assures tranquility. Any activity of the town or park is very distant from the site. The peaceful beauty of mother nature surrounds us on every side.

Doug Meharg has waited for twenty years to find the right development plan to please future residents and compliment this site. The plan now includes an outdoor pool, exercise facilities, indoor whirlpool, a year-round greenhouse, and much more. Lobby and common areas have been designed on the theme of "Quiet Country Elegance" with forest colours. Traditional oak pegged plank floors, beams, plaster mouldings, and fireplace, are accented by contemporary furniture. Dozens of plants in pools and planters, a whispering waterfall, and a bridged brook are features in the makeup of our stunning lobby.

A limited number of Markham Mill suites (only 42 in total) will be available for occupancy within 18 to 24 months. Plans, models and drawings may be viewed now. Pre-construction purchases will be possible in the next few weeks.

## Host Crop Club

**MARKHAM**

The Markham 4-H Crop Club can accommodate more members. Boys and girls, 12 to 19 years, are welcome.

Participants in this activity need not live on a farm. A project can be located on the property of a friend.

Acquiring knowledge concerning the growing of crops is important. For example—can you calibrate a sprayer in metric? Can your father do it?

Fathers and sons are welcome to attend a meeting, Monday, May 30 at 8 p.m., on the farm of Jonathan and Eugene Lemon, Conc. 9, Whitechurch-Stouffville, south of the Bloomington Road. There's no membership fee.

Last year, a Markham 4-H Crop Club member won the World Championship in barley at the Royal Agricultural Winter Fair. The leaders don't guarantee this kind of result the first year, but they're willing to show young people how to try.

For additional information call Alex Davidson, 640-5653; Trevor Watson, 640-2636 or Tim Broadway, 473-3542.
